SANTA CRUZ COUNTY BOARD OF SUPERVISORS
 701 Ocean Street
 Santa Cruz, California 95060

SUBJECT: USED OIL RECYCLING CLAIMS

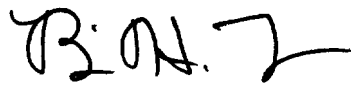

Members of the Board:

Under the direction of your Board, since 1994 County staff has coordinated the Santa Cruz County Regional Oil Recycling Program on behalf of the County and the cities of Capitola, Santa Cruz, Scotts Valley, and Watsonville. A primary vendor since the beginning has been Bayside Oil II, Inc., which has been reliably providing pickup for recycling of used oil and filters at numerous collection centers throughout the county. Your Board has approved agreements and amendments annually for this contractor to carry out this work.

Due to unforeseen circumstances, six invoices from Bayside Oil II, Inc., were received late and/or exceeded the contract amount of the Fiscal Year 1999/2000 and Fiscal Year 2000/2001 agreements. The total cost for the six unpaid invoices is \$440 (see the attached list). Sufficient funds are available in the Public Works Solid Waste budget for this purpose.

It is therefore recommended that the Board of Supervisors approve payment of claims from Bayside Oil II Inc., in the amount of \$440.

Yours truly,

 for THOMAS L. BOLICH
 Director of Public Works
