### **Brommer Park Play Area and Path Renovation Financing**

Dear Members of the Board:

In a separate item on today's agenda, the Parks Department is requesting award of a contract for construction of the Brommer Park Play Area and Path Renovation Project. In order for the funds necessary to award this contract to be available a parallel action is required from you, as the Board of Directors for the Redevelopment Agency.

A portion of this work is being financed by the Redevelopment Agency. The Redevelopment Agency contribution to the cost for the construction of these improvements is \$115,000. Funds for this project are appropriated within the current budget.

Redevelopment Agency staff has determined that the project is of benefit to the Project Area, that no other reasonable means of financing the improvements are available to the community, that the project will assist in the elimination of blight, and that the project is consistent with the Redevelopment Agency's Five Year Implementation Plan.

It is therefore RECOMMENDED that your Board, as the Board of Directors for the Redevelopment Agency, take the following actions:

1. Approve Agency funds totaling \$115,000 for the construction contract for the Brommer Park Play Area and Path Renovation Project; and
2. Concur with and adopt the associated findings.

Very truly yours,

Tom Burns

Redevelopment Agency Administrator
