### **CONTINUATION OF REPORT AND RECOMMENDATIONS REGARDING WATSONVILLE COURT FACILITY- 200 MAIN STREET PROJECT**

Dear Members of the Board:

On June 11,2002 we informed your Board that the City's developer for the 200 Main Street project was reviewing options for restructuring the project in order to gain efficiency and overall cost savings in all aspects of the building. We also informed your Board that one of the building issues that was under review related to the risks of flooding at the site and that various architectural solutions were being discussed that could minimize potential future damages.

We are still in discussions with the City of Watsonville regarding these issues and will be reporting to your Board as part of the Last Day Reports, on June 27, 2002 with recommendations for addressing these issues so that this project of mutual benefit can proceed.

It is therefore Recommended that your Board defer a report on the Watsonville Courts Project and the 200 Main Street building until Last Day Reports as part of the Plant Acquisition Budget presentation.

Very truly yours,

Susan A. Mauriello
