### HEALTH SERVICES AGENCY ADMINISTRATION

July 9, 2002

**AGENDA: August 13, 2002**

BOARD OF SUPERVISORS  
County of Santa Cruz  
701 Ocean Street  
Santa Cruz, CA 95060

### **RE: Adopt Resolution Authorizing State Standard Agreements**

Dear Members of the Board:

Each year, the Health Services Agency (HSA) contracts with the State for a variety of health programs. HSA has approximately 40 agreements with the State, a few being County expenditure agreements, but the majority being revenue agreements. HSA includes these on-going agreements on the Continuing Agreements List that is approved by your Board during budget hearings. Agreements for any new programs are brought to your Board for specific approval before they are finalized.

Most State agreements are now following a new standard agreement format, which requires a resolution from the local governing body authorizing the execution of the agreement. In order to improve the efficiency in processing on-going state agreements, and improve the cash flow associated with state revenue agreements, HSA recommends that your Board adopt the attached resolution authorizing the HSA Director, or their designee the HSA Director of Administration, to sign State standard agreements that have been included on the 2002-03 Continuing Agreements List approved by your Board during budget hearings. HSA would continue to bring any agreements for new programs to your Board for specific authorization.

It is, therefore, **RECOMMENDED** that your Board:

1. Adopt the attached resolution authorizing the Health Services Agency Director, or their designee – the Health Services Agency Director of Administration, to sign on-going state standard agreements included on the 2002-03 Continuing Agreements List; and
2. Direct the Clerk of the Board to forward 40 certified copies of the resolution to the Health Services Agency for processing to the State.

Sincerely,

Health Services Agency Director
