### AGENDA: AUGUST 13, 2002

August 1, 2002

SANTA CRUZ COUNTY BOARD OF SUPERVISORS  
701 Ocean Street  
Santa Cruz, California 95060

SUBJECT: INSTALLATION OF ONE RESIDENTIAL STREET LIGHT WITHIN COUNTY  
SERVICE AREA NO. 9, ZONE "A," ROBERTSON STREET

Members of the Board:

The Department of Public Works has received a petition (see Attachment "A") from residents of Robertson Street in the Soquel area requesting the installation of one new standard street light at the location shown on Attachment "B." This area is within the County's residential lighting district, Zone A, of County Service Area (CSA) No. 9. The petition is signed by all residents or property owners in the immediate vicinity of the proposed light.

The Pacific Gas and Electric Company has advised us that the installation of a 70-watt, residential street light is feasible on the existing pole. The installation will result in a charge of approximately \$7.75 per month on the County's street lighting bill. Sufficient funding for this new light is available in the CSA No. 9A residential lighting budget. The Supervisor of this area is aware of the request for this street light.

It is therefore recommended that the Board of Supervisors authorize the installation of one 70-watt, standard residential street light on Robertson Street.

Yours truly,

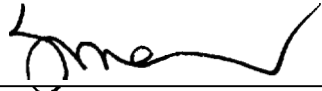

THOMAS L. BOLICH  
Director of Public Works
