Santa Cruz County Agriculture Political Action Committee!

To whom it may concern:

I believe I am qualified to serve on the committee because I have spend the last thirty years working in production agriculture on the Central Coast. We farm in both Santa Cruz and Monterey counties. I am currently, and have been for the past twenty yews, the partner in charge of the farming operations for Frank Capurro and Son, a diversified vegetable-growing company with operations in both Northern and Southern California and Mexico. I am familiar with many different styles of farming and have seen many different problems associated with agriculture and urban influence.

The reason I would like to serve on the APAC committee is because I *think* I am qualified and can make solid decisions regarding the future of Agriculture in the county. I enjoy being a part of the inter workings of different organizations and on this particular committee I think I can *make* a difference.

Thank you for your consideration,

Mike Manfre
