RE: REQUEST FOR INSTALLATION OF SOQUEL VILLAGE
SIGN AT ANNA JEAN CUMMINGS PARK

Dear Members of the Board:

For many years the entrance to Soquel Village has been marked with some very attractive and award-winning wooden signs that were designed and installed through an active community involvement process. During periods of road construction, and at other times, the signs have been removed and stored for safekeeping, as they are now. Originally there were four signs, but at this time only two remain.

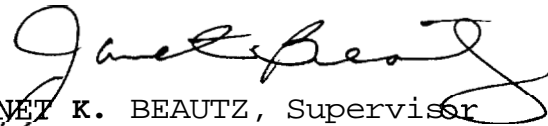

The village of Soquel is now in the final planning stages for a celebration of its 150th anniversary event to be held September 29 and would like to have these signs reinstalled by that date. A very desirable location for one of the remaining signs is on Old San Jose Road, and the best place would be on property that is owned by our Parks, Open Space and Cultural Services Department at Anna Jean Cummings Parks near Dawn Lane. The proposed location has been reviewed and approved for sight distance and traffic issues by Public Works and the Parks Department.

Therefore, I recommend that the Board direct the Parks, Open Space and Cultural Services Department to work with community members to install the Soquel Village sign at the designated location along Old San Jose Road at Anna Jean Cummings Park.

Sincerely,
