BOARD OF DIRECTORS
PAJARO STORM DRAIN MAINTENANCE DISTRICT
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: SALSIPUEDES CREEK LEVEE REPAIR PROJECT
CONTRACT NUMBER 12772
PUBLIC WORKS JOB NUMBERS 24836 AND 24837
NOTICE OF COMPLETION

Members of the Board:

The subject project was completed on July 22,2002. The contractor was Granite Construction Company of Watsonville, CA.

The original bid price was \$352,352.00. The total construction cost is \$345,673.24. This decrease was due to less extra work being performed than was anticipated. A summary of the final costs is attached for your information.

This project received a grant from the State of California Department of Housing and Community Development, as part of their Community Development Block Grant program. The grant states that all project funds must be expended by August 31,2002, to prevent the County of Santa Cruz from forfeiting project funds. In order to receive all grant monies for this project it will be necessary for the auditors office to make the final payment, releasing the project retention, prior to August 31,2002.

It is therefore recommended that the Board of Supervisors take the following action:

1. Accept the improvements and approve the final cost.
2. Authorize the Clerk of the Board to file the Notice of Completion, a copy of which is attached.

3. Direct the County Recorder to return the original Notice of Completion to the Clerk of the Board.
4. Approve final payment before August 31, 2002.

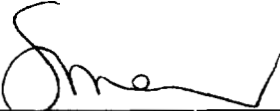

Yours truly,

for - THOMAS L. BOLICH
