As part of prior year Parks Dedication and Redevelopment Budgets, your Board has allocated funds to provide labor and materials for the Hestwood Neighborhood Park in Live *Oak*. This project consists of clearing; grubbing and demolition; tree protection; grading; concrete paving; wood fencing; irrigation systems; and landscape planting including turf hydro-seeding. The construction includes concrete walkways, pre-engineered restroom fabrication, play area and structures for 2-5 year olds, rubberized and sand safety surfacing, and various site furnishings. Design services have been provided by Michael Scheele, Parks Planner for this project. Plans and specifications have been completed and these items and associated documents related to this project must be approved by your Board prior to solicitation of written proposals. Funds for this project are available in the Parks Dedication Budget Index 192070, Sub Object 6610 and the Redevelopment Budget Index 61 1133, Sub Object 9842. The Engineer's estimate for this project is \$244,452.

It is therefore RECOMMENDED that your Board take the following actions:

1. Approve plans and specifications on file with the Clerk of the Board for the Hestwood Neighborhood Park;
2. Direct the General Services Department to advertise for bids; and
3. Set the bid opening for 10:45 a.m. on October 1, 2002.
