BOARD OF SUPERVISORS

County of Santa Cruz

Santa Cruz, CA 95060

Subject: Contract Extension for San Lorenzo River Salmonid Enhancement Plan

Dear Members of the Board:

On June 25, 2002, your Board authorized the Health Service Agency Administrator to execute a contract extension and budget augmentation with the California Coastal Conservancy for completion of a salmonid enhancement plan for the San Lorenzo River Watershed, and directed that staff return on September 10, 2002, for approval of additional revenue and expenditures after the budget augmentation is approved by the California Coastal Conservancy. At this time, we have signed the contract extension, but the Conservancy is still in the process of completing the contract documents.

It is therefore recommended that your Board direct Health Services Agency to return to the Board not later than October 1, 2002, for approval of additional revenue and expenditures for completion of a salmonid enhancement plan for the San Lorenzo River Watershed.

Sincerely,

for Robert L. Kennedy, R.E.H.S.
