Eligible MORE Activities are intended to improve the health and safety conditions of Mobilehome Parks and individual Mobilehomes to the benefit of Low-Income Households.

All applications will be reviewed for completeness and compliance with the NOFA and guidelines requirements on a first come first served basis, otherwise known as an over-the-counter (OTC) process. Only complete and compliant applications will be eligible for approval, and potential funding. Application Due Date	June 30, 2023- June 30, 2024 or until all funds have been awarded
Award Announcement	Ongoing. A round of applications that are determined to be eligible and complete will be taken to the Department’s Internal Loan Committee (ILC) for approval throughout the open NOFA period or until all funds are awarded

C. What’s New in this NOFA

The MORE Program was created to replace the Department’s Mobilehome Park Rehabilitation and Resident Ownership Program (MPRROP) and expand the eligible use of funds.

1. Additional Activities are now eligible for Program funding. These Activities are:

- a. Remediation of health and safety deficiencies for both Mobilehome Parks and individual Mobilehomes; and
 - b. Acquisition and Replacement of individual Mobilehomes.
2. Under certain circumstances, the type of eligible Applicants has been expanded to include Private Mobilehome Park Owners pursuant to §301.1(d) of the guidelines;
 - a. Pursuant to HSC §50783(b)(1), \$25 million of the available funds may be awarded to Private Mobilehome Park Owners.
 3. Geographic and Activity targets have been established.
 4. A pre-application technical assistance meeting with Department staff will be required to assist interested Applicants in the development of a successful application.

D. Authorizing Legislation and Regulations (Regulatory Authority)

Funding under this NOFA is made available pursuant to [Chapter 11 \(commencing with §50780\) of Part 2 of Division 31 of the Health of Safety Code \(HSC\)](#). **This NOFA should be read in conjunction with following:**

- [HSC §50780-§50787](#);
- [MORE guidelines](#); and
- Appendix A of the MORE guidelines.

The Department reserves the right, at its sole discretion, to suspend, amend, and/or supplement the provisions of this NOFA from time to time. If such action occurs, the Department will notify interested parties through the Department's MORE listserv.

E. Definitions

All capitalized terms shall be interpreted in accordance with the meaning of the terms described in Appendix A of the MORE guidelines located on the Department's MORE webpage.

F. Funding Targets, Geographic Distribution of Funds and Funding Priorities

1. Of the approximately \$65 million available in this NOFA, geographic funding targets and priorities are distributed as follows:
 - a. To the extent there are eligible applications, the Department shall target 10 percent (10%) of available funds, approximately \$6.5 million, for Tribal Entities as defined by Appendix A of the guidelines. If there are an insufficient number of eligible applications by the application

due date to meet the \$6.5 million target, any remaining funds may be applied to the general pool of Applicants.

- b. To the extent that there are eligible applications, the Department shall target 20 percent (20%) of available funds, or approximately \$13 million, for Rural jurisdictions. If there are an insufficient number of eligible applications by the application due date to meet the \$13 million target, any remaining funds may be applied to the general pool of Applicants.
- c. The Department shall strive for geographic equity between Southern and Northern California, meaning 30 percent (30%). Approximately \$19.5 million will be held for each of the below-defined Northern or Southern regions for the first six (6) months of the application period.
- d. After the first six months of the application period, if there are an insufficient number of eligible applications in either the Northern or the Southern region to meet the \$19.5 million target, any remaining funds may be applied to eligible Applicants in other geographic areas.
- e. For the purpose of geographic distribution:
 - i. Targets are based on the number of permitted Mobilehome Parks located in Southern and Northern California.
 - ii. Rural is defined to be consistent with the definition used by TCAC for the tax credit program. A list of Rural areas, as well as the methodology to determine Rural or non-rural status, can be found on TCAC’s website or by clicking this link:
<https://www.treasurer.ca.gov/ctcac/2022/rural-status.pdf>

Northern	Non-rural areas of the following counties: Alameda, Butte, Contra Costa, El Dorado, Fresno, Kings, Madera, Marin, Merced, Monterey, Napa, Placer, Sacramento, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Shasta, Solano, Sonoma, Stanislaus, Sutter, Tulare, Yolo, Yuba
Southern	Non-rural areas of the following counties: Imperial, Kern, Los Angeles, Orange, Riverside, San Bernardino, San Diego, San Luis Obispo, Santa Barbara, Ventura
Rural	Rural areas as defined by statute, including but not limited to the following 100 percent rural counties: Alpine, Amador, Calaveras, Colusa, Del Norte, Glenn, Humboldt, Inyo, Lake, Lassen, Mariposa, Mendocino, Modoc, Mono, Nevada, Plumas, Sierra, Siskiyou, Tehama, Trinity, Tuolumne

2. Of the approximately \$65 million available in this NOFA, policy priorities and statutory requirements are implemented through the following funding targets:
 - a. \$33.5 million for the following three types of activities
 - i. Acquisition, Conversion, Rehabilitation, Reconstruction, or Replacement of Mobilehome Parks; or
 - ii. Activities specific to Resident Individual Mobilehome Rehabilitation or Replacement; or
 - iii. Activities specific to Mobilehome Park Replacement for Disaster Response.
 - iv. Per [HSC Section 50783](#), Private Mobilehome Park Owners are not eligible Applicants for this \$33.5 million funding target.
 - b. \$25 million for Activities specific to Remediation of Mobilehome Parks to correct Mobilehome Park Act deficiencies or violations.
 - i. Private Mobilehome Park Owners, as well as nonprofit organizations, public entities, and resident associations are eligible for this activity.
3. Funds shall be prioritized for applications with the greatest impact on the health and safety of very low-income residents earning 0-50 percent AMI. For the first one-hundred twenty (120) days of the application period, 80 percent (80%) of funds available in this NOFA, or \$52 million, may be targeted for Mobilehome Parks and Individual Mobilehomes, including either Local Projects or Local Programs that meet both of the below criteria 3.a. and 3.b. Funding under this category may be awarded at the Department's discretion under either category described above in 2.a and 2.b above, which are further described in Sections II and III of this NOFA and in Article III and IV of the guidelines. During the final 60-day window of application review prior to complete expenditure of funds under the NOFA, to the extent that application requests exceed total funds available, awards shall be prioritized using the same criteria.
 - a. Applications for Parks and for Programs serving Individual Mobilehomes where residents are impacted by multiple Health and Safety Code, or Title 25 California Code of Regulations violations as cited that remain uncorrected and are classified as:
 - i. Imminent hazards representing a risk to life, health, or safety; or

 - b. Remediation of the violations will accrue primarily for the benefit of Very-Low-Income Residents earning 0-50 percent AMI.
