### County Fish and Game Advisory Commission Seeks Applications for Grant Funds

Grants Funds Available for Public Education, Fish and Wildlife Habitat Restoration, Management and Rehabilitation Projects

The Santa Cruz County Fish and Game Advisory Commission invites applications for grant funding of projects involving public education related to fish and wildlife conservation; temporary rehabilitation and care of injured wildlife; improvement of fish and wildlife habitat; or predator control actions.

Over the past few years Commission awarded grants have funded the Monterey Bay Salmon and Trout Project activities, wildlife education programs for public schools, CalTip, volunteer water quality monitoring programs, and several predator control research projects.

Funds are available for educational projects, environmental restoration and enhancement projects within the San Lorenzo River Watershed and other projects throughout the County.

Usually awards are limited to \$1,000 to \$2,000 each

Applications must be received in the Planning Department at the above address by 5:00 p.m. on Thursday, January 23, 2003.
