DESCRIPTION

DUTCH COLONIAL VERNACULAR

- 7a. Architectural style: DUTCH COLONIAL VERNACULAR
- 7b. Briefly describe the present *physical appearance* of the site or structure and describe any major alterations from its original condition:

This remarkable building is a small T-plan cottage with a large Dutch windmill emerging from the center peak of the roof. It has a double glass paned door entry directly under the mill, flanked by two display windows. One of the windows and the entry are recessed into a protected porch. The rolled shingled eaves, banded windows, long shaggy shingle elevations and of course, the windmill, give this building a Disneyesque novelty appeal.
