### Members of the Commission:

The applicant and staff have met to discuss outstanding issues regarding this proposal. Some of these items require the applicant to submit more information and to discuss their proposal with an adjacent neighbor (regarding a joint parking and circulation agreement). Staff cannot receive the information, process the information and compile a letter to your commission without a continuance for one month.

Staff therefore recommends that your Commission continue Application 05-0721 with the public hearing open, to May 9, 2007.
