

CEQA Findings

1. The project and record have been analyzed and the project is exempt from further review under the categorical exemptions found in California Environmental Quality Act ("CEQA") Guidelines section 15302 (Class 2), and section 15303 (Class 3).
2. The project and record have been analyzed and none of the exceptions to categorical exceptions, set forth in CEQA Guidelines section 15300.2 apply. There are no unusual circumstances giving rise to a reasonable possibility that the project will have a significant effect on the environment, the project would not involve successive projects of the same type in the same place resulting in cumulative impacts that are significant, and the project would not result in damage to scenic resources within a designated state scenic highway.
3. The project and record have been analyzed and the project is exempt from further review pursuant to CEQA Guidelines section 15061 (b)(3) because it can be seen with certainty that there is no possibility that the Project may have a significant effect on the environment.
