Dear Santa Cruz County Zoning Administrator, I am writing you to provide comments on the proposed application to operate a vacation rental on 3850 Floral court, Santa Cruz, CA. As a long time resident of this area, I am opposed to the disruption and conflict of the property being used for short term rentals. Short term renters have no connection or concerned (accountability) for their neighbors. I am opposed to Short Term Rentals. Thank you very much when considering your decision on this matter, Respectfully Robert Giles, 38th avenue, Santa Cruz, CA ps please acknowledge receipt of this comment at
