Subject: Letter of Support for Home Remodel at 3615 Moana Way, Santa Cruz, CA 95062

Dear Planning and Building Department,

I am writing to express my full support for my neighbor, Mark Nobler, and his proposed home remodel at 3615 Moana Way. Mark has been a valued member of our community, always considerate and respectful to those around him. His plans to add a modest second story will not only improve his home but also complement the character of our neighborhood.

The design is thoughtful, in scale with surrounding properties, and will contribute positively to the overall aesthetic of our street. I believe this project will enhance the neighborhood while maintaining the sense of community we all enjoy.

I appreciate your consideration of Mark's application and encourage your approval of this thoughtful and responsible project. Please feel free to reach out to me if any further information is needed.

Sincerely,
