Background and Analysis

Assessor's Parcel Numbers 106-022-10, 106-022-11, 106-022-12, 106-022-13, 106-022-14, 106-501-01, 106-501-02 and 106-501-03 (see Assessors Maps, Exhibit A) were evaluated as to whether the twelve lots (see map noting lots requested, Exhibit B) in question could be presumed to be lawfully created pursuant to Government Code Section 66412.6 and entitled to an Unconditional Certificate of Compliance pursuant to Government Code Section 66499.35 and Santa Cruz County Code Section 14.01.109 and 14.01.110. An analysis for each individual parcel is attached as Exhibit C.

Summary for Reference Lots 1, 2, 4, 5, 9 and 10

No evidence was found to indicate that the parcels were described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. **Further**, no evidence was found that the lots have been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcels are not subject to merger. Based upon the available information, the sites are unimproved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if:

The real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto as follows:

(1) The subject properties were conveyed by a separate document as a separate parcel on or before January 20, 1972.

The lots were created by a separate deed instruments recorded prior to January 20, 1972.

(2) The parcels in question complied with the provisions of the Subdivision Map Act at the time of its creation.

No evidence was found to indicate that the parcels ~~did~~ not comply with the applicable provisions of the State Map **Act** at the time the parcel was created.

(3) At the time the contract, deed or other document creating the subject parcels was signed, the subject parcels complied with the applicable County ordinances then in effect, including (without limitation) the parcel size required by the then applicable zone district.

The parcels complied with the applicable standards in effect **at** the time the parcel was created.

(4) The parcels in question has not been combined by the owner, and are not subject **to** merger.

No evidence was found to indicate that ~~the~~ lots were combined by the actions of the owner. The lots are not subject to merger.

Based upon a preponderance of the evidence, these lots all warrant the issuance of Unconditional Certificates of Compliance (see Exhibit C and **D**).

Reference Lots 3, 6, 7, 8, 11, 12

No evidence was found to indicate that the parcels were described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the

request of the owner or by the action of the owner. Further, no evidence was found that the lots have been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. Based upon the available information, the sites are not improved.

The real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto as follows:

- (1) The subject properties were conveyed by a separate document as a separate parcel on or before January 20, 1972.

The lots were not created by a separate deed instruments recorded prior to January 20, 1972.

- (2) The parcels in question complied with the provisions of the Subdivision Map Act at the time of its creation.

Evidence was presented indicating that the parcels did not comply with the applicable provisions of the State Map Act at the time the parcel was created.

- (3) At the time the contract, deed or other document creating the subject parcels was signed, the subject parcels complied with the applicable County ordinances then in effect, including (without limitation) the parcel size required by the then applicable zone district.

The parcels did not *comply* with the applicable standards in effect at the time the parcels were created.

- (4) The parcel in question has not been combined by the owner, and is not subject to merger.

No evidence was found to indicate that the lots were combined by the actions of the owner. The lots are not subject to merger,

Based upon a preponderance of the evidence, these lots do not warrant the issuance of Unconditional Certificates of Compliance. Conditional Certificates of Compliance are required for these lots and the applicant concurs with this determination (see Exhibits C and D).

Conditional Certificate of Compliance

When a request is made to a local agency by a property owner for a determination whether a property complies with the provisions of the State Map Act and local ordinances, the local agency must issue either an Unconditional Certificate of Compliance or a Conditional Certificate of Compliance (see Govt, Code Section 66499.35 and County Code Section 14.01.109 (b)).

The State Map Act (66499.35) clearly states that the conditions "which would have been applicable to the division of the property at the time applicant acquired his or her interest therein" be applied. This provision of State law has been implemented by County Code section 14.01.109(b) 2 which states the following:

"If applicant was not the owner at the time of the initial violation, the County shall issue and record a Conditional Certificate of Compliance imposing such conditions as would have been applicable to the division of the *property* at the time applicant acquired his *or* her interest therein."

In this case, the year the owner took title is as follows (copies of the deeds are attached as Exhibit E):

APN	Owner	Date Acquired	Zone	GP
106-022-14	Burch	1992	TP	Mountain Residential
106-501-01	Burch	1993	SU	Mountain Residential
106-501-02	Burch	1993	SU	Mountain Residential
106-501-03	Burch	1993	SU	Mountain Residential

A transfer from Rodger and Michelle Burch to Rodger and Michelle Burch. Trustees of the RMB Family Trust (see Documents 2001-0056689 and 2001-0056692 recorded September 10, 2001) occurred in 2001. The current owners obtained title to the property in 1992 and 1993. (H & R Holdings to Burch; Bk 5137 Pg 168 recorded October 28, 1992 and Holmes to Burch; Bk 5393 Pg 536 recorded November 23, 1993). In the past, Counsel has advised that the transfer of property to a trust was not to be considered a transfer of ownership when evaluating a property for a Certificate of Compliance.

The recommended conditions (Exhibit B of the Unconditional Certificates of Compliance; see Exhibit H attached)) have incorporated the applicable standards (including zone district standards and density; see Exhibit F) for the year title was obtained.

Staff Recommendation:

It is RECOMMENDED that the Zoning Administrator take the following actions:

- A) Direct that the Conditional Certificates of Compliance be recorded for portions of APN's 106-022-14, 106-501-01 and all of APN's 106-501-02, 106-501-03 comprising reference lots 3, 6, 7, 8, 11, and 12 (see Exhibit H); and
- B) Certify the Environmental determination attached as Exhibit G; and
- C) Direct that the Unconditional Certificates of Compliance be recorded for APN's 106-022-10, 106-022-11, 106-022-13 and a portion of 106-022-14 comprising reference lots 1, 2, 4, 5, 9, and 10 (see Exhibit I).

Supplementary reports and information referred to in this report are on file and available for viewing at the Santa Cruz County Planning Department, and are hereby made a part of the administrative record for the proposed project.

Exhibit B

ANALYSIS OF EACH PROPOSED LOT

Exhibit C

Lot 1

Portion of APN 106-021-14

The chain of title submitted by the applicant indicates this portion of Assessor's Parcel Number 106-022-14 was created by a separate deed instrument in the past (see Book 46 of deeds page 466, recorded June 8, 1885; Watsonville Mill and Lumber Company to Packwood). Historically, the lot has been described separately and transferred with other properties.

No evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lots have been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. Based upon the available information, the site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if:

The real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto as follows:

(1) The subject property was conveyed by a separate document as a separate parcel on or before January 20, 1972.

The lot was created by separate deed instruments prior to January 20, 1972 (see **Book 46 of Deeds** page 466 recorded June 8, 1885; Watsonville Mill and Lumber Company to Packwood).

(2) The parcel in question complied with the provisions of the Subdivision Map Act at the time of its creation.

No evidence was found to indicate that the parcel did not comply with the applicable provisions of the State Map Act at the time the parcel was created.

(3) At the time the contract, deed or other document creating the subject parcel was signed, the subject parcel complied with the applicable County ordinances then in effect, including (without limitation) the parcel size required by the then applicable zone district.

The parcels complied with the applicable standards in effect at the time the parcel was created.

(4) The parcel in question has not been combined by the owner, and is not subject to merger.

No evidence was found to indicate that the lot was combined by the actions of the owner. The lot is *not* subject to merger.

Lot 2

Portion of APN 106-021-14

The chain of title submitted by the applicant indicates this Assessor's Parcel number was created by a separate deed instrument in the past (see Book 45 of deeds, Page 37 recorded September 18, 1885; Packwood to Johnson). Historically, the lot has been transferred with other properties.

No evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lots have been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. Based upon the available information, the site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if:

The real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto as follows:

(1) The subject property was conveyed by a separate document as a separate parcel on or before January 20, 1972.

The lot was created by separate deed instruments prior to January 20, 1972 (see Book 45 of Deeds page 37 recorded September 18, 1885; Packwood to Johnson).

(2) The parcel in question complied with the provisions of the Subdivision Map Act at the time of its creation.

No evidence was found to indicate that the parcel did not comply with the applicable provisions of the State Map Act at the time the parcel was created.

(3) At the time the contract, deed or other document creating the subject parcel was signed, the subject parcel complied with the applicable County ordinances then in effect, including (without limitation) the parcel size required by the then applicable zone district.

The parcels complied with the applicable standards in effect at the time the parcel was created.

(4) The parcel in question has not been combined by the owner, and is not subject to merger.

No evidence was found to indicate that the lots were combined by the actions of the owner. The lots are not subject to merger.

Lot 3

Portion of APN 106-021-14

The chain of title submitted by the applicant indicates this portion of Assessor's Parcel number was not described by a separate deed instrument in the past. Because of this fact, issuance of a Conditional Certificate of Compliance is warranted. The applicant concurs with this conclusion.

No Evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lots have been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel could be subject to merger. Based upon the available information, the site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if the real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto and was conveyed by a separate deed document as a separate parcel on or before January 20, 1972. This is not the case for this property.

Lot 4

APN 106-021-13

The chain of title submitted by the applicant indicates this parcel was created by a separate deed instrument in the past (see **Book of Deeds 104 page 198** recorded March 3, 1896; Beal to Packwood). Historically, the lot has been described separately and transferred with other properties.

No evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lot has been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. The site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if:

The real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto as follows:

(1) The subject property was conveyed by a separate document as a separate parcel on or before January 20, 1972.

The lot was created by separate deed instrument recorded prior to January 20, 1972 (see Book of Deeds 104 page 198 recorded March 3, 1896; Beal to Packwood).

(2) The parcel in question complied with the provisions of the Subdivision Map Act at the time of its creation.

No evidence was found to indicate that the parcel did *not* comply with the applicable provisions of the State Map Act at the time the parcel was created.

(3) At the time the contract, deed or other document creating the subject parcel was signed, the subject parcel complied with the applicable County ordinances then in effect, including (without limitation) the parcel size required by the then applicable zone district.

The parcels complied with the applicable standards in effect at *the* time *the* parcel was created.

(4) The parcel in question has not been combined by the owner, and is not subject to merger.

No evidence was found to indicate that the lot was combined by the actions of the owner. The lot is not subject to merger.

Lot 5

APN 106-021-12

The chain of title submitted by the applicant indicates this parcel was created as an exception or "left over" parcel (see Book 47 of deeds, Page 120 recorded July 6, 1885; Packwood to Beal and Book 104 of deeds, Page 198 recorded March 3, 1896; Beal to Packwood). It was described in a deed instrument with other properties in 1922 (see Book 321 of Deeds, Page 32 recorded November 25, 1922; Rider to Panzich). Historically, the lot has been described separately and transferred with other properties.

No evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lot has been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. Based upon available information, the site is not improved.

County Code Section 14.01109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if:

The real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto as follows:

(1) The subject property was conveyed by a separate document as a separate parcel on or before January 20, 1972.

The lot was created by separate deed instruments prior to January 20, 1972 (see Book 47 of deeds, Page 120 recorded July 6, 1885; Packwood to Beal and Book 104 of deeds, Page 198 recorded March 3, 1896; Beal to Packwood and was described with other properties in 1922; see Book 321 of Deeds, Page 32 recorded November 25, 1922; Rider to Panzich).

(2) The parcel in question complied with the provisions of the Subdivision Map Act at the time of its creation.

Based upon available evidence, the parcel complied with the applicable provisions of the State Map Act at the time the parcel was created.

(3) At the time the contract, deed or other document creating the subject parcel was signed, the subject parcel complied with the applicable County ordinances then in effect, including (without limitation) the parcel size required by the then applicable zone district.

The parcel complied with the applicable standards in effect at the time the parcel was created.

(4) The parcel in question has not been combined by the owner, and is not subject to merger.

No evidence was found to indicate that the lot was combined by the actions of the owner. The lot is not subject to merger.

Lot 6

Portion of APN 106-501-01

The applicant has requested this parcel be considered and be evaluated as an individual separate parcel and acknowledges that the issuance of a Conditional Certificate of compliance is appropriate.

The applicant has presented information that this property was created in violation of the State map Act. Because of this fact, the lot does not meet the threshold test to be considered as a separate legal lot and thus qualify for an Unconditional Certificate of Compliance as provided for under Section 14.01.108 and 14.01.109 of the Santa Cruz County Code.

No evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lots have been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. The site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if the real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto and was conveyed by a separate document as a separate parcel on or before January 20, 1972. This is not the case for this property.

Lot 7

ion of APN 106-501-01

The applicant has requested this parcel be evaluated as an individual separate parcel and acknowledges that the issuance of a Conditional Certificate of compliance is appropriate.

The applicant has presented information that this property was created in violation of **the** State map Act. Because of this fact, the lot does not meet the threshold test to be considered as a separate legal lot and thus qualify for an Unconditional Certificate of Compliance as provided for under Section 14.01.108 and 14.01.109 of the Santa Cruz County Code.

No evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the **lots** have been combined by the action **of** the owner as outlined in County Code Section 14. 01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. The site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if **the** real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto and was conveyed by a separate document as a separate parcel on or before January 20, 1972. This is not the case for this property.

Lot 8

Portion of APN 106-501-01

This parcel was created in violation of the State Map Act and the County Subdivision Ordinance (see Book 2179 Book 108 recorded 03/03/72 Saunders to Nitschke). The applicant has requested this parcel be considered and be evaluated as an individual separate parcel and acknowledges that the issuance of a Conditional certificate of compliance is required.

The applicant has presented information that this property was created in violation of the State map Act. Because of this fact, the lot does not meet the threshold test to be considered as a separate legal lot and thus qualify for an Unconditional Certificate of Compliance as provided for under Section 14.01.108 and 14.01.109 of the Santa Cruz County Code.

No evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lots have been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111 and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. The site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if the real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto and was conveyed by a separate document as a separate parcel on or before January 20, 1972. This is not the case for this property.

Lot 9

APN 106-021-11

The chain of title submitted by the applicant indicates the parcel known as Assessor's Parcel number 106-021-11 was described within a separate deed instrument in the past (see Book 51 of Deeds Page 182 recorded June 7, 1886; Packwood to Beal). Historically, the lot has been described separately and transferred with other properties.

Based upon a preponderance of the evidence, nothing was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lots have been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. Based upon the available information, the site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if:

The real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto as follows:

(1) The subject property was conveyed by a separate document as a separate parcel on or before January 20, 1972.

The lot was created by a separate deed instrument recorded prior to January 20, 1972 (see **Book 51** of Deeds Page 182 recorded June 7, 1886; Packwood to Beal).

(2) The parcel in question complied with the provisions of the Subdivision Map Act at the time of its creation.

No evidence was found to indicate that the parcel did not comply with the applicable provisions of the State Map Act at the time the parcel was created.

(3) At the time the contract, deed or other document creating the subject parcel was signed, the subject parcel complied with the applicable County ordinances then in effect, including (without limitation) the parcel size required by the then applicable zone district.

The parcels complied with the applicable standards in effect at the time the parcel was created.

(4) The parcel in question has not been combined by the owner, and is not subject to merger.

No evidence was found to indicate that the lots were combined by the actions of the owner. The lot is not subject to merger.

Lot 10

APN 106-021-10

The chain of title submitted by the applicant indicates that this parcel was an exception or "left over" parcel created when the southerly part of a larger lot was transferred in the past (see Book 64 of Deeds page 366 recorded January 16, 1889; Beal to Thompson and Book 196 of Deeds page 465 recorded December 2, 1907; Beal to Rider and Book 126 of Deeds page 422 recorded May 19, 1900; Beal to Beal). Historically, the lot has been described separately and transferred with other properties.

No evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lot has been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. Based upon the available information, the site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if:

The real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto as follows:

(1) The subject property was conveyed by a separate document as a separate parcel on or before January 20, 1972.

The lot was created with the recording of a separate deed instrument recorded prior to January 20, 1972 (see Book 64 of Deeds page 366 recorded January 16, 1889; Beal to Thompson and Book 196 of Deeds page 465 recorded December 2, 1907; Beal to Rider and Book 126 of Deeds page 422 recorded May 19, 1900; Beal to Beal).

(2) The parcel in question complied with the provisions of the Subdivision Map Act at the time of its creation.

No evidence was found to indicate that the parcel did not comply with the applicable provisions of the State Map Act at the time the parcel was created.

(3) At the time the contract, deed or other document creating the subject parcel was signed, the subject parcel complied with the applicable County ordinances then in effect, including (without limitation) the parcel size required by the then applicable zone district.

The parcel complied with the applicable standards in effect at the time the parcel was created.

(4) The parcel in question has not been combined by the owner, and is not subject to merger.

No evidence was found to indicate that the lot was combined by the actions of the owner. The lot is not subject to merger.

Lot 11

APN 106-501-02

This parcel was created in violation of the State Map Act and the County Subdivision Ordinance (exception parcel resulting from documents recorded 03.03.72; see 2179 OR 106 and 2179 OR 108). The lot was first described in 1975 (see 2560 OR 416; Saunders to Butler). The applicant has requested this parcel be considered and be evaluated as an individual separate parcel and has acknowledged that the issuance of a Conditional Certificate of Compliance is required.

The applicant has presented information that this property was created in violation of the State map Act. Because of this fact, the lot does not meet the threshold test to be considered as a separate legal lot and thus qualify for an Unconditional Certificate of Compliance as provided for under Section 14.01.108 and 14.01.109 of the Santa Cruz County Code.

No evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lots have been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. The site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if the real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto and was conveyed by a separate document as a separate parcel on or before January 20, 1972. This is not the case for this property.

Lot 12

APN 106-501-03

This parcel was created in violation of the State Map Act and the County Subdivision Ordinance (see Book 2179 Book 106 recorded 03/03/72; Saunders to Saunders). The applicant has requested this parcel be considered and be evaluated as an individual separate parcel and acknowledges that the issuance of a Conditional Certificate of compliance *is* required.

The applicant has presented information that this property was created in violation of the State map Act. Because of this fact, the lot does not meet the threshold test to be considered as a separate legal lot and thus qualify for an Unconditional Certificate of Compliance as provided for under Section 14.01.108 and 14.01.109 of the Santa Cruz County Code.

No evidence was found to indicate that the parcel was described as a part of another parcel within one metes and bounds description which included a statement within the deeds indicating that it was the intent of that document to combine the property as required by the Civil Code Section 1093 or was combined by a record of survey map with another parcel either at the request of the owner or by the action of the owner. Further, no evidence was found that the lots have been combined by the action of the owner as outlined in County Code Section 14.01.110. Finally, based upon County Code Section 14.01.111, and the applicable provisions of the Government Code Section 66451, the parcel is not subject to merger. The site is not improved.

County Code Section 14.01.109(a) states that a parcel qualifies for an Unconditional Certificate of Compliance if the real property in question complies with the provisions of the Subdivision Map Act and County Ordinances enacted pursuant thereto and was conveyed by a separate document as a separate parcel on or before January 20, 1972. This is not the case for this property.

Dear Don:

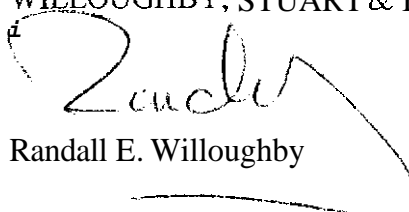

I have been assisting Joe Burch and Mike Maiorana in responding to the issues raised in your letter to Joe Burch of August 16, 2005. Delivered in conjunction with this letter is a binder which I believe addresses the issues raised in your letter. You will note that our client's application relative to a number of the parcels has been amended to request a Conditional Certificate of Compliance rather than an Unconditional Certificate. You will also note that, pursuant to your suggestion, three separate Conditional Certificates have been requested for APNs 106-501-03, 02, and Por. 01.

Our clients appreciate your on-going assistance in respect to the application process. Hopefully, the information provided in Mike Maiorana's binder will address all of the County's remaining questions and the certification process on these lots can be completed.

Thanks again for your assistance.

Very truly yours,

106-501-01.02 and 03

Dear Don:

Per your request and in response to your letter dated August 16, 2005, please find the following:

Your item 1 and item 2 (APN 106-501-03, 02 and Por. 01):

This application was originally for 10 lots. At our August 16 meeting, you said each of the APNs 106-501-03, 02 and Por. 01 qualifies for a Conditional Certificate of Compliance and suggested we consider applying for three Conditionals instead of the one. After more thought on this, I decided to take your suggestion, and thank you for it. THEREFORE this application is hereby amended to include the addition of a Conditional Certificate of Compliance **for** each APN, 106-501-3, 02 and Por. 01. SEE NARRATIVE under Lot 8, as you requested, for qualifying Lots 8A, 8B and 8C. THIS BRINGS THE TOTAL NUMBER OF LOTS FOR THIS APPLICATION TO 12.

Summary:	Lot 1 – Uncond.	Lot 7 – Cond.
	Lot 2 – Uncond.	Lot 8A – Cond.
	Lot 3 – Cond.	Lot 8B – Cond.
	Lot 4 – Uncond.	Lot 8C – Cond.
	Lot 5 – Uncond.	Lot 9 – Uncond.
	Lot 6 – Cond.	Lot 10 – Uncond.

Item 3:

LEGAL LOT 3 (por. APN 106-022-14)

A LEGAL LOT, subject to the administration by the County of Santa Cruz, was created by the Deed recorded 4/20/1872 in Bk. 14 of "Deeds" Pg. 790 (Chain of Title 1995-2735), being the SW ¼ of the NW ¼ of Section 23, 40 Ac. See Exhibit A.

J. M. Beal and S. S. Packwood acquire all the Northwest Quarter (NW ¼) of Section 23 by deed recorded in 38 of "Deeds" Pg. 440 (see Chain of Title).

On March 6, 1885, in Bk. 44 of "Deeds" Pg. 334, J. M. Beal conveys 83 Acres to S. S. Packwood, being the West Half (W ½) of the Northwest Quarter (NW ¼) of Section 23, save a triangle at the southwest corner, which included the Legal Lot described in Bk. 14 Deed 790 and additional land, the NW ¼ of the NW ¼ of Sec. 23, 40 Ac. See Exhibit A.

On September 18, 1885, in Bk. 45 of "Deeds" Pg. 37, Packwood conveys the Northwest Quarter (NW ¼) of the Northwest Quarter (NW ¼) of Section 23, 40 Ac., to Mrs. C. A. Johnson, creating a LEGAL LOT here, subject to the administration by the County of Santa Cruz. See Exhibit B.

Following mesne deeds of record, the 83 Acres are conveyed to William McGuire in Bk. 119 of "Deeds" Pg. 72. (See Chain of Title). See Exhibit C.

McGuire conveys the portion of the 83 Ac., lying north of the Private Road, to Sarah S. Palmer by deed recorded 12/31/1897 in Bk. 117 of "Deeds" Pg. 260. The land described in this deed takes in the Legal Lot created in said Bk. 45 of "Deeds" Pg. 37 and creates a subdivision of the Legal Lot created in Bk. 14 of "Deeds" Pg. 790 into 2 lots, i.e., one being the part thereof lying north of the Private Road and the other being the part lying south of the road as a Remainder Lot, subject to the administration by the County of Santa Cruz. See Exhibit D.

McGuire conveys the Remainder Lot (part lying south the private road) to Maggie Wothinton, in deed recorded 8/12/1898 in Bk. 122 of "Deeds" Pg. 163. See Exhibit D.

Neither in the deed recorded in Bk. 117 of "Deeds" Pg. 260, nor in any later document in the Chain of Title was there any evidence of intent, statement, or notice, of merger regarding the additional lot created by said Bk. 117 "deeds" Pg. 260, therefore the lot stands provided a Conditional Certificate of Compliance is obtained from the County, because although this lot met all requirements pursuant to Gov. Section 66412.6, it was not separately conveyed by a separate deed on or before January 21, 1972, THEREFORE a Conditional Certificate of Compliance is sought for 3.

THIS AMENDS AND REPLACES THE RATIONAL AND DOCUMENTATION STATEMENT FOLLOWING "CREATED BY" UNDER LEGAL LOT 3, IN REPORT DATED OCTOBER 25, 2002.

LEGAL LOT 5: (APN 106-022-12) (Ch. Title 1995-2733)

Rhonda D. Beal acquired the eastern portion of the northwest quarter of Section 23, 64 ½ Acres, by deed from Ester A. Packwood by deed recorded 12/10/1888 in Bk. 64 of "Deeds" Pg. 310. See Exhibit E.

Then Rhonda Beal conveys the west 7 Acres of above parcel to Samuel L. Packwood, by deed recorded 3/3/1896 in Bk. 104 of "Deeds" Pg. 198. See Exhibit E.

J. M. Beal, widower, et al., the heirs of Rhonda D. Beal conveys the remainder of the land described in Bk. 64 "Deeds" Pg. 310 (after Deed to Packwood in 104 "Deeds" Pg. 198) to Homer M. Rider by Indenture recorded 12/2/1907 in Bk. 196 of "Deeds Pg. 465. See Exhibit E.

Then Rider conveyed the parcel by a separate document and described it by a separate description as a separate parcel, by the deed recorded 11/25/1922 in Bk. 321 of "Deeds" Pg. 32. THIS CREATES A SEPARATE LEGAL LOT, LEGAL LOT 5. SEE EXHIBIT E.

THIS AMENDS AND REPLACES THE RATIONAL AND DOCUMENTATION STATEMENT FOLLOWING "CREATED BY" UNDER LEGAL LOT 5, IN REPORT DATED OCTOBER 25,2002.

LEGAL LOT 6 (Por. APN 106-501-01) Ch. Title 1995-2730

The Southwest Quarter (SW ¼) of Section 14 was created as a Separate Legal Lot of Record by Patent to Ramon Espinosa, recorded 7/18/1873 in 2 of Patents Pg. 66. Following said Patent, said land is conveyed from Espinosa to Joseph E. Ordish by Deed recorded in 14 of Deeds Pg. 543. SEE EXHIBIT F.

Following above Deed and subsequent mesne deeds of record, see Chain of Title, Harold Hennegan, et ux. acquires said Legal Lot (SW ¼) along With Other Property, in Deed recorded 7/23/1957 in Bk. 1140 Official Records (O.R.) Pg. 367. Description includes above said Legal Lot within it. SEE EXHIBIT F.

Hennegan conveys same property to Alvey Begley, et ux., by Deed recorded 11/23/1965 in Bk. 1730 O.R. Pg. 547, then

Begley carves out a part of said Southwest (SW ¼) in Deed to Arabel Saunders, recorded 11/23/1965 in Bk. 1730 O.R. Pg. 559, partitioning or subdividing said Southwest Quarter and leaving a remainder parcel, our Lot 6, out of said Southwest Quarter (SW). SEE EXHIBIT G.

This is followed by the conveyance of Lot 6 along with additional property, to Maraabel Saunders, by Deed recorded 11/23/1965 in Bk. 1730 O.R. Pg. 561. SEE EXHIBIT H.

Mr. Don Bussey
Page 4
October 11, 2005

Lot 6 was not separately conveyed by a separate deed on or before January 21, 1972.
THEREFORE, this application is hereby amended to request a Conditional Certificate of Compliance for Legal Lot 6.

THIS AMENDS AND REPLACES THE RATIONALE AND DOCUMENTATION STATEMENT FOLLOWING "CREATED BY" UNDER LEGAL LOT 6 IN REPORT DATED OCTOBER 24, 2002.

LEGAL LOT 7 (Por. APN 106-501-01) Ch. Title 1995-2730

The Southwest Quarter (SW $\frac{1}{4}$) of Section 14 was created as a separate Legal Lot by Patent recorded in 2 of Patents Pg. 66, and reaffirmed in Deed recorded in **Bk.** 14 of Deeds Pg. 543.

Watsonville Mill and Lumber Co. conveys said Lot, with a portion of the Southeast Quarter (SE $\frac{1}{4}$) of said Section 14 to D. A. Ryder by Deed recorded 3/29/1888 in Bk. 66 of Deeds Pg. 74 which creates a Legal Lot out of a portion of Southeast Quarter (SE $\frac{1}{4}$) by the separate description of the "3rd" parcel therein, by virtue of the fact that the "1st" parcel was an existing separate Legal Lot, having been created in 2 of Patents Pg. 66 ("2nd" parcel is separated from the "3rd" parcel). SEE EXHIBIT I.

Following the above deed by mesne deeds of record, see Chain of Title, the Southeast Quarter (SE $\frac{1}{4}$) of Section 14, along with other property, comes under the ownership of Arnold Baldwin. Deed to Baldwin is recorded in **Bk.** 390 O.R. Pg. 87.

The Estate of Baldwin, deceased, conveys to Harold Hannegan subject lot, with other property, in Deed recorded 7/23/1957 in Bk. 1140 O.R. Pg. 367. SEE EXHIBIT J.

Then, Hannegan conveys to Alvey Begley, et ux., same **property** as above in Deed recorded 11/23/1965 in Bk. 1730 O.R. Pg. 547, followed by the deed from Begley to Arabel Saunders, recorded in Bk. 1730 O.R. Pg. 559, thereby subdividing fore-mentioned lands and leaving a remainder, our Lot 7, out of the above said "3rd" Parcel. SEE EXHIBIT K & L.

Lot 7, along with additional property, is then conveyed to Maraabel Saunders, by Deed recorded 11/23/1965 in Bk. 1730 O.R. Pg. 561.

Lot 7 was not separately conveyed by a separate deed on or before January 21, 1972.
THEREFORE, this application is hereby amended to request a Conditional Certificate of Compliance for Legal Lot 7.

THIS AMENDS AND REPLACES THE RATIONALE AND DOCUMENTATION STATEMENT FOLLOWING "CREATED BY" UNDER LEGAL LOT 7 IN REPORT DATED OCTOBER 24, 2002.

LEGAL LOT 8, NOW LOT 8A (APN 106-501-03), LOT 8B (106-501-02) and LOT 8C (Por. 106-501-01) Ch. Title 19952736, 2726 & 2730

S. S. Packwood acquired 115 Acres, which includes subject lots, in Deed recorded in Bk. 46 of Deeds Pg. 469 and conveyed 100 Acres, including subject lots, to D. A. Rider in Deed recorded 4/9/1886 in Bk. 45 of Deeds Pg. 440, creating a Legal Lot of Record. SEE EXHIBIT N.

Subsequent thereto, and following mesne deeds of record, see Chain of Title, Arabel Saunders acquires the 100 Acres by Deed recorded 11/23/1965 in Bk. 1730 O.R. Pg. 561, and then deeds out a portion thereof, lying southerly of subject lots, by Deed recorded 9/13/1966 in Bk. 1784 O.R. Pg. 211, leaving a remainder parcel out of the Legal Lot created in Bk. 45 of Deeds Pg. 440. SEE EXHIBIT O and P.

Arabel Saunders conveys the Remainder Lot, along with a part of the land in Deed recorded in 66 Deeds Pg. 74, to Kenneth D. Saunders in Deed recorded 2/28/1972 in Bk. 2176 O.R. Pg. 671. SEE EXHIBIT Q.

Kenneth proceeds to subdivide by 1. Deed to W. Boone Saunders, recorded 3/3/1972 in Bk. 2179 O.R. Pg. 106 (APN 106-501-03) creating Lot 8A 2. Deed to Linda S. Nitschke, recorded 3/3/1972 in Bk. 2179 O.R. Pg. 108 (106-501-01) creating Lot 8C, and also creating a separate lot in between 8A and 8C. 3. Said in between lot is then conveyed in Deed to Francis Howard Butler, recorded 11/18/1975 in Bk. 2560 O.R. Pg. 416 (APN 106-501-02) creating Lot 8B.

All said Lots were created after January 21, 1972 and therefore a Conditional Certificate of Compliance is sought for Lot 8A. SEE DESCRIPTION 8A; Lot 8B, SEE DESCRIPTION 8B; and Lot 8C, SEE DESCRIPTION 8C.

THIS AMENDS AND REPLACES THE RATIONALE AND DOCUMENTATION STATEMENT FOLLOWING "CREATED BY" UNDER LEGAL LOT 8 IN REPORT DATED OCTOBER 24, 2002.

LEGAL LOT 9 (106-22-11) Ch. Title 1995-2729

Watsonville Mill and Lumber Co. conveys property containing subject lot to S. S. Packwood by Deed recorded 6/18/1885 in Bk. 46 of Deeds Pg. 469. Following said deed, S. S. Packwood conveys subject lot in Deed to Joseph B. Beal, recorded 6/7/1886 in Bk. 51 of Deeds Pg. 182, thereby creating a Legal Lot of Record, Lot 9. SEE EXHIBIT R.

Said Lot 9 is later conveyed from G. B. Beal to Rhonda D. Beal in the Deed recorded 5/19/1900 in Bk. 126 of Deeds Pg. 422.

THIS AMENDS AND REPLACES THE RATIONALE AND DOCUMENTATION STATEMENT FOLLOWING "CREATED BY" UNDER LEGAL LOT 9 IN REPORT DATED OCTOBER 24, 2002.

LEGAL LOT 10 (APN 106-022-10) Cb. Title 1995-2734.

J. M. Beal acquires the 40 Ac. parcel of land that includes subject lot by Deed recorded 4/24/1884 in Bk. 38 of Deeds Pg. 440. J. M. conveys the 40 Ac. to Joseph B. Beal in Deed recorded 7/23/1885 in Bk. 47 of Deeds Pg. 117. SEE Exhibit S.

Joseph conveys a portion of the 40 Ac. to Mrs. Lizzie A. Thompson by Deed recorded 1/16/1889 in Bk. 64 of Deeds Pg. 366. SEE EXHIBIT S.

Next, the remainder of the 40 Ac. is sold, confirmed, and separately described as a separate parcel in the Order Confirming Sale in the matter of the Estate of Joseph B. Beal, deceased, to G. B. Beal, recorded 1/11/1899 in Bk. 124 of Deeds Pg. 246, creating Legal Lot 10.

Then, said Legal Lot 10 is further confirmed by the separate conveyance of the separate Lot 10, separately described, in the Deed from G. B. Beal to Rhonda B. Beal, recorded 5/19/1900 in Bk. 126 of Deeds Pg. 422. SEE EXHIBIT S.

THIS AMENDS AND REPLACES THE RATIONALE AND DOCUMENTATION STATEMENT FOLLOWING "CREATED BY" UNDER LEGAL LOT 10 IN REPORT.

Item 4:

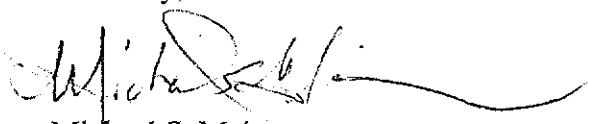

Herewith please find copy of document 296 D 242

This doesn't affect any of our proposed Legal Lots. The land described therein lies east of Legal Lot 10. SEE MAP attached.

Item 5:

The document in the seventies you directed me to, Deed recorded 11/15/1978 in Bk. 2986 Pg. 234 contains no Parcels (A), (B), (C) and (D) and therefore that line that says "**SAID** PARCELS (A), (B), (C) **AND** (D) LIE CONTIGUOUS AND FORM ONE PARCEL OF LAND" has no force and affect since such parcels were not said or exist in this document, and no such parcels were found in documents in the Chains of Title affecting our Lots. HOWEVER, for your benefit, I did an additional search of the records of the County Recorder and found a document recorded 1/27/1973 in Bk. 2278 O.R. Pg. 698 that contains (a), (b), (c) and (d) parcels; see copy of deed following. These parcels do not affect subject lots; see copy: (a) is way east of subject lots, at Corralitos Creek opposite the mouth of Shingle Mill Creek in Sec. 24 (no lot in this application lies in Sec. 24; (b) lies in Section 24; (c) lies in Sec. 24 and (d) lies east of subject lots. SEE MAP Attached.

Minimum Average Developable Parcel Size":		40 Net Developable Acres

Applicable General Plan Policies

1980 General Plan

- 2.1.5: Wafer supply Watershed: Limits new lots to 10 gross acres per parcel
- 2.4.2: Timber Resource: New lots must be a minimum-of 40 gross acres per parcel if not "clustered".
- 3.1.8: Fault Zone: Limits new lots to a specific net developable size depending upon the setback from any
fault trace, as follows: less than 50 feet: 20 net developable acres.
50 feet+: 10 net developable acres.
- 3.5.5: Critical Fire Hazard: When development is proposed within a mapped critical fire area and is on a
through road, development may be at the low end density only. For this site, that would be 1 DU per
40 net developable acres.
- 3.5.5: Fire Response Time: When the Fire Response time exceeds 20 minutes, development may be at the
low end density only. For this site, that would be 1 DU per 40 net developable acres.
- 5.1.3: Parcel Size Determination: If the average parcel size within ½ mile is more than 40 gross acres,
that number shall be the minimum allowed parcel size. For this site, the average lot size within ½
mile is less than 40 gross acres.

CONDITIONAL CERTIFICATE OF COMPLIANCE

WHEREAS, Rodger A. Burch and Michele Burch, as Trustees, or their Successors, of The *RMB* Revocable Family Trust Dated February 5, 1999, are the property owners or vendee of such owners of certain real property located in the County of Santa Cruz, State of California, known as a portion of Santa Cruz County Assessor's Parcel Number **106-022-14**, and more particularly described in Exhibit "A" attached hereto and incorporated herein by reference made a part hereof, has requested that the County issue a Conditional Certificate of Compliance pursuant to Government Code Section 66499.35 and local regulations thereto; and

WHEREAS, pursuant to an application for Parcel Legality Status Determination, the County of Santa Cruz has determined that such real property does not comply with all the provisions of the State of California Subdivision Map Act and the County Subdivision Ordinance enacted pursuant thereto but that a Certificate of Compliance with conditions may appropriately be issued.

NOW, THEREFORE a Conditional Certificate of Compliance is hereby issued for the above-described parcel described in exhibit "A" attached to hereto subject to the conditions attached as Exhibit "B".

FURTHERMORE, this certification of compliance shall not constitute a determination that said parcel is buildable or is entitled to a building permit or other development approval absent fulfillment and implementation of the enumerated conditions attached as exhibit "b" and compliance with the provisions of all other Santa Cruz County ordinances and regulations. Compliance with the enumerated conditions shall be required prior to the application for a building permit or another development permit approval by the County of Santa Cruz.

 - b. Provide a survey along with acceptable impartial information and copies of recorded deeds conclusively indicating that the property has a minimum 40-acre net developable parcel size. Net developable land is defined as the gross area of the parcel minus the following:
 - 1) All vehicle rights of way, and
 - 2) All slopes over 50%, and
 - 3) Riparian areas, wooded arroyos, canyons, areas of riparian vegetation and areas within a 50 feet riparian buffer setback, and
 - 4) Lakes, marshes, wetlands and area within 100 year floodplain and any associated buffer setback, and
 - 5) Areas of recent landslide, and
 - 6) Land within 50 feet of an active or potentially active fault trace, and
 - 7) Commercial Ag or mineral resource land.The site will not be considered as a building site or suitable for development by the County of Santa Cruz until this standard is met.
 - c. Submit a full Geologic Report and complete any and all required reports (i.e.; Geotechnical) to the satisfaction of the County of Santa Cruz.
 - d. Provide written proof from Environmental Health Services that an acceptable water source is available to the property and that the site complies with all applicable standards for an on site septic system.
 - e. All development including all access ways is limited to areas with slopes less than 30%.
 - f. All site standards for the zone district shall be complied with. These are as follows:

Frontyard Setback:	40 feet
Sidyard setback:	20 feet
Rearyard Setback:	20 feet

All definitions for yards are contained within the County Code and shall be met
2. Prior to obtaining a building permit, complete the following:
 - a. Submit and obtain approval from the Department of Public Works and Planning Department of an engineered road improvement, drainage and erosion plan for the road system to serve this parcel. The road shall be at least 12-feet wide with turnouts and have a minimum of 6 inches of compacted Class II baserock. When the road grade exceeds 15%, the surface shall be overlain with 2 inches of asphaltic concrete. The road grade shall not exceed 15 % for more than 200 feet and shall not exceed 20%. No new road as defined by County Code is allowed on slopes exceeding 30%

- b. Submit an erosion control plan for the parcel for review and approval by the Planning Department.
 - c. Submit certification from Environmental Health Services that all proposed development on the parcel will meet all Environmental Health requirements with respect to water availability and septic system use.
 - d. Submit a letter from the applicable fire district that indicates that all development on the parcel, including the proposed roadway system, meets the district requirements.
 - e. The property owner shall be entirely responsible for maintaining the road, drainage improvements and erosion control plan to this property. The property owner shall record a Road Maintenance Agreement insuring the maintenance of the road constructed from the publicly maintained road (including the approved erosion and drainage system)
3. Prior to final building inspection, all road improvements, drainage and erosion control measures shall be constructed.
