

## RDA Five Year Plan GROUP COMMENT CARD

Please assist us by providing feedback and comments regarding your thoughts about Soquel & Live Oak. We want to know what you think is important to include in the next Five Year Implementation Plan.

### **Group Exercise I    10 min.**

**Please mark the table map showing where you live.**

#### **What do you like about Soquel and Live Oak?**

*As an introduction to the others at the table, please share your first responses to the following statement and questions:*

In general, I think that Soquel and Live Oak are good places to live.

- Agree  
 Disagree

What do you like most about your community?

What improvements would you like to see?

### **Group Exercise II        10 min.**

#### **Top Three Challenges**

*Working within a diverse community, it is often difficult to get a consensus from a group of people on the "Big Picture" community issues. Please identify the **top 3** challenges or problems your table feels are facing the community. (No particular order is required). Place a checkmark on the adjacent line.*

- Access to shopping and retail services.
- Access to good jobs, skills training and career development.
- Drainage and other utilities.
- Creating more activities, programs and facilities for youth, seniors or other groups with special needs.
- Traffic & congestion.
- Fixing roads, sidewalks and bicycle lanes.
- Public safety, crime, vandalism & graffiti.
- Ensuring an adequate variety of housing opportunities.
- Building more parks and open space.
- Other

**Group Exercise II (continued) 10 min.**

**Priorities**

Of the list below, which of the following does your table feel should have the highest priority in the next five years? Please select the **top 3** most important if you can with #1 being the highest.

- Community buildings & facilities (for example youth center, gymnasium, sports fields)
- Building more parks.
- Roads, pedestrian and bike improvements
- Affordable housing
- Economic Vitality and Job Creation
- Other
