

Questions for Discussion

*Please discuss the list of project ideas to see whether your table/group can reach a common response to the following questions. Please ask one person from your table to **record the most important comments** from the discussion and provide a quick report back to the entire meeting:*

Youth Activities – Community Facilities

1. Which projects does your table/group believe **best address the needs** of the residents of Soquel and Live Oak?
2. Does your table/group have **concerns** about any project ideas presented?
3. Are there important ideas that your table/group believes are **missing** from the project list?
4. Which specific efforts does your group/ table believes to be **most urgent**?

Public Safety

1. Which projects does your table/group believe **best address the needs** of the residents of Soquel and Live Oak?
2. Does your table/group have **concerns** about any project ideas presented?
3. Are there important ideas that your table/group believes are **missing** from the project list?
4. Which specific efforts does your group/table believe to be **most urgent**?
5. **Should the Agency pursue creating a new centralized Sheriff's Facility in the Live Oak area?** Is there a preference for a **location** in central Live Oak or nearer to Highway One?

Safe Walking & Bike Routes

1. What **concerns** does your table/group have with any of the project ideas presented?
2. Are there important ideas that your table/group believes are **missing** from the project list?
3. Which specific efforts does your group/ table believes to be **most urgent**?
