

Questions for Discussion

*Please discuss the list of project ideas to see whether your table/group can reach a common response to the following questions. Please ask one person from your table to **record the most important comments** from the discussion and provide a quick report back to the entire meeting:*

Economic Vitality

1. Which projects does your table/group believe **best address the needs** of the residents of Soquel and Live Oak?
2. Does your table/group have **concerns** about any project ideas presented?
3. Are there important ideas that your table/group believes are **missing** from the project list?
4. Which specific efforts does your group/table believe to be **most urgent**?

Affordable Housing

1. How can new homes built in the community best serve the Live Oak and Soquel community's housing needs?
2. Are there housing programs that are particularly helpful for your community?
3. Are there important ideas that your table/group believes are **missing** from the project list?
4. Are there **specific affordable housing efforts** which your group/table believes are most urgent?
