

CONSTRUCTION TO BEGIN!

EAST CLIFF DRIVE PARKWAY PROJECT 32nd Avenue to 41st Avenue

The County of Santa Cruz Redevelopment Agency and the Department of Public Works are pleased to announce:

The final construction phase of the East Cliff Parkway Project and Pleasure Point Park renovation is beginning this summer!

The construction contract was awarded to Pavex Construction who will start work this June. This phase of the work includes new pedestrian and bicycle paths, roadway reconstruction, safety railings, replacement parking, drainage/storm water improvements and coastal native landscaping for most of the length of the road between 32nd Avenue and 41st Avenue. The work also includes improvements to the Pleasure Point Park including a new public restroom. It is anticipated that construction will take approximately 10 months and will be completed in the late spring of 2012.
