BUDGET OVERVIEW SUPPLEMENTAL BUDGET • FY 2020-21

MESSAGE FROM THE COUNTY ADMINISTRATIVE OFFICER

REVISED BUDGET FY 2020-21

On June 30, 2020, for the first time in County of Santa Cruz history, staff requested that the Board approve a "Pro Forma" Budget due to the lack of information and uncertainties of the financial impacts of the COVID-19 pandemic. The 2020-21 Revised Budget provides supplemental recommendations that update the Proposed Budget with the most current information we have available, although much uncertainty remains. The year ahead remains very difficult to plan due to continuing uncertainties associated with the impacts of the pandemic. With that in mind, these revisions communicate what I believe is the most fiscally responsible approach to funding County operations to best serve the community.

The County of Santa Cruz currently faces the same challenges as all local governments: maintaining County services with more limited resources, at a time when community needs and desires have increased. Difficult choices were made in response to our significantly constrained resources and adjustments have been instituted that allow us to continue to respond to the effects of COVID-19. Although this is not the budget we anticipated when we began planning for the upcoming fiscal year, it does attempt to maintain critical safety net, public safety and other mandated services in a way that helps provide stability in people's lives when the community is experiencing so much change.

As stewards of the public's money, these budget

revisions represent our best efforts to provide essential services in a balanced budget during uncertain times. The budget was designed to anticipate significant revenue losses as the result of the economic downturn while also seeking to stabilize our workforce to match resource reductions. The 2020-21 Revised Budget is centered around the vision, strategic objectives and core values previously defined by the Board and the community.

Early estimates in May predicted that the County General Fund could face deficits of up to \$20 million in 2019-20 and up to \$40 million in 2020-21 due to revenue losses from the COVID-19 pandemic. The County responded by instituting an immediate hiring and spending freeze to produce savings that would offset emergency expenses and revenue losses. Employee furloughs were also negotiated with all bargaining units, and departments were asked to make reductions to reduce their General Fund contribution. The revised budget incorporates these changes as well as improved revenues resulting from the reopening of businesses and tourism in June.

Overall, these strategies and improvements reduced the estimated General Fund deficit to \$12.4 million for 2019-20 and \$27.6 million for 2020-21 before department reductions and employee furloughs. The revised budget includes \$12.6 million from department reductions and \$11.4 million from a 7.5% to 10% furlough. These savings are offset by a \$6.1 million increase in contingencies in order to carry (1) a general contingency of approximately 1% of expenditures and (2) restricted contingencies for unanticipated emergency repairs, mid-year adjustments and realignment trigger cuts of \$1.5 million, which will occur if the State does not receive further stimulus funding from the federal government. It is critical to maintain contingencies at this time since revenues could worsen as cases surge and closures resume, resulting in a second and potentially more severe downturn.

The revised budget anticipates using \$14.2 million in reserves to address the combined deficits 2019-20 and 2020-21. This leaves 7.5% of revenues in reserves to address any future constraints. Before COVID-19, the five-year forecast predicted deficits of at least \$3 million and up to \$12 million. The forecast is expected to worsen as a result of rising retirement costs and the pandemic. Any further deficit will be difficult to address after reductions in the current fiscal year. It is important to continue saving costs wherever possible until a vaccine is available and the economy is restored to pre-COVID-19 levels.

In addition, the State budget included stimulus funding to assist the County with our COVID-19 related costs through December, allowing for reimbursements of current year costs we thought we would have to absorb. We will provide a Last Day report to address the use of the remaining stimulus funding provided by the State.

The revised budget includes total financing and expenditures of \$874.4 million. Total staffing is reduced by 88.65 funded positions or a reduction of 3.6% of the county workforce, leaving 2,388.66 funded positions. Of the 88.65 funded positions being reduced, 37.25 positions are currently filled with the remaining positions vacant. The revised budget includes recently financed capital projects of \$10 million.

The General Fund financing of \$580.6 million includes fund balance of \$9.3 million and revenues of \$571.3 million comprised of \$333.1 million for Health and Human Services, \$141.9 million in General Revenues, \$60.8 million for Public Safety and Justice, \$18.2 million for Land Use and Community Services, and \$17.3 million for General Government and Debt Service combined. Reduction in available General Fund financing results in reduced contributions to support expenditures in General Government of 11%, Health and Human Services of 8%, Public Safety of 6% and Land Use and Community Services of 9%. An overview of department reductions and operational impacts is provided in the financial summary with details provided in the department budgets.

I believe we have positioned the County of Santa Cruz to weather the effects of the worldwide public health pandemic through targeted investments in mandated services and careful management of our funds and reserves. County departments and offices remain focused on providing cost-effective services and an excellent customer experience. I look forward to working with the Board, County staff and the community to manage the County's resources most responsibly in this difficult moment.

FINANCIAL SUMMARY UPDATE SUPPLEMENTAL BUDGET • FY 2020-21

FINANCIAL SUMMARY UPDATE

2020-21 REVISED BUDGET

On June 30, 2020, the Board of Supervisors approved the 2020-21 Proposed Budget as a preliminary pro forma budget prepared before the impacts of the COVID-19 pandemic. The Proposed Budget provided a preliminary estimate that the General Fund revenue losses related to COVID-19 could result in a deficit of up to \$20 million in 2019-20 and up to \$40 million in 2020-21. It was anticipated that the County would need to use reserves of up to \$20 million to address the 2019-20 deficit and prepare a revised budget with reductions up to \$40 million to cover the 2020-21 deficit. Departments were asked to revise their 2020-21 Proposed Budget plans to reflect up to a 20% reduction in General Fund contribution, with up to 10% for Health and Public Safety Departments. In addition, the County issued an immediate hiring and spending freeze with the goal of producing savings to offset emergency expenses and revenue losses. Based on the severity of these losses, the budget plan also needed to incorporate workforce reductions through a furlough with all bargaining units in order to minimize position eliminations and service reductions.

UPDATED COVID-19 BUDGET IMPACTS

As a result of improved revenues, department savings, use of one-time funds, and unexpected reimbursement of COVID-19 costs, the County anticipates using \$14.2 million in reserves to balance the budget through June 30, 2021 (earlier we had estimated using \$20 million in Reserves.) An additional \$2.8 million in reserves is needed to cover Mental Health services by 2021-22. In total, the County plans to use reserves of \$17 million (3%), leaving the 7% minimum per the General Fund reserve policy.

The table on the next page compares the changes in the budget plan from the Proposed to the Revised Budget. While the economic recovery remains uncertain, revenue estimates are currently better than preliminary estimates by \$12.9 million due to improved sales tax and hotel tax, resulting from the early reopening of businesses and tourism, and the State's realignment backfill, saving the County \$4.5 million. These revenue estimates could worsen as cases surge and closures resume, resulting in a second and potentially more severe downturn.

The 2020-21 Revised Budget plan addresses the \$23.1 million loss of General Fund revenues and \$4.5 million in lost fund balance offset by savings of \$12.6 million from department reductions and \$11.4 million from a 7.5% to 10% furlough with each bargaining unit beginning in July. These savings are offset by an increase in contingencies of \$6.1 million, requiring the County to use reserves of \$9.7 million to cover the 2020-21 deficit. An additional \$4.5 million is needed to cover the 2019-20 deficit, resulting in a total use of reserves of \$14.2 million over the two years. A summary of department reductions and operational impacts is provided on pages 14 to 16.

ECONOMIC OUTLOOK UPDATE

The COVID-19 pandemic has negatively affected travel, commerce, investment values, and financial markets globally, and is widely expected to continue to negatively affect economic output worldwide and within the County. Since the pandemic began, over 37,000 unemployment filings have occurred within the County as of July 4, 2020. The unemployment rate in the County was 13.0 percent in June 2020, down from a revised 14.6 percent in May 2020, but more than triple the estimate of 4.2 percent a year ago. This compares with an unadjusted unemployment rate of 15.1 percent for California and 11.2 percent for the nation during the same period.

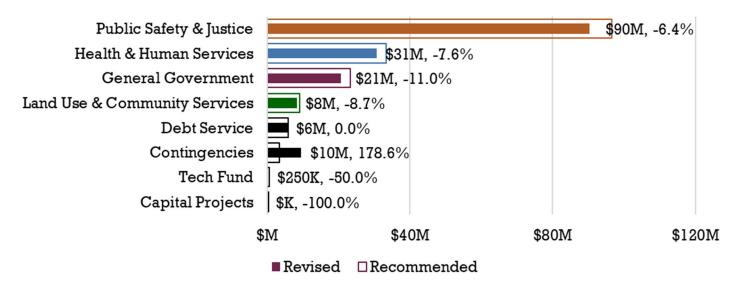

What was previously anticipated to be a "U" shaped economic recovery with the State widely reopening in June is now more likely to reflect a "W" shaped economic recovery as the State reinstates closures and restrictions across California. With the expiration of the unemployment benefits approved with early federal stimulus bills, an additional federal stimulus bill is expected to pass by early August, although the amount and details of such a bill are still in flux.

REVISED GENERAL FUND CONTRIBUTION

The revised General Fund contribution (Discretionary General County Revenues or Net County Cost) for General Fund departments is

FINANCIAL SUMMARY UPDATE

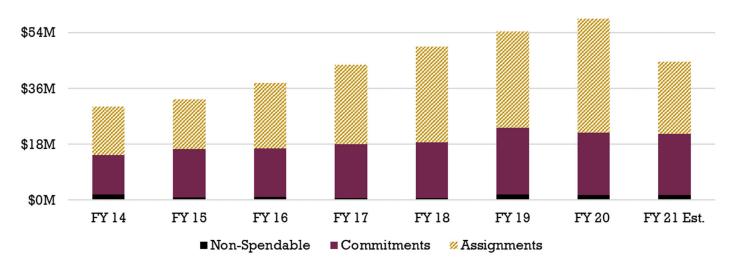

Total 2020-21 Revised General Fund Contribution by Budget Category \$166M

\$165.7 million. This represents a decrease of \$6.5 million over the 2020-21 Proposed Budget. The decreased financing from revenue losses of \$23.1 million (13.9%) from COVID-19 is related to various general revenues and State realignment revenues offset by the furlough savings of \$11.4 million and increased fund balance available of \$5.2 million. Details regarding general revenues can be found in the County Revenues budget. The chart above reflects the percentage of General Fund contribution by budget category and reflects department reductions of \$12.6 million, with a decrease in General Government of 11%, Health and Human Services of 8%, Land Use and Community Services of 9%, and Public Safety and Justice of 6%, offset by an increase in Contingencies of \$6.1 million. This increase will provide a general contingency of approximately 1% of expenditures and restricted contingencies for unanticipated emergency repairs, mid-year adjustments and realignment trigger cuts of \$1.5 million, which will occur if the State does not receive further stimulus funding from the federal government.

Personnel Summary

The County's most significant asset in serving our community is our employees. A total of 2,388.66 funded positions are recommended in the Revised Budget, 2,049.16 positions are financed by the General Fund, 339.50 are financed by Enterprise or other funding sources. The 2020-21 Revised Budget shows a net decrease of 88.65 funded positions compared to the 2020-21 Proposed Budget. This includes the elimination of 37.25 positions and unfunding of 52.10 positions due to financial constraints. Changes also include the net increase of 0.7 vacant positions due to reorganizations. In total, the 2020-21 Revised Budget reduces the County workforce by 3.6%. Personnel details by Department and classification are provided in the Appendix. No position eliminations are final until the Board takes action on August 18th. If there are no changes to the Revised Budget, the Personnel Department will finalize the layoff list and employees will be notified in writing of the layoff, which will be effective October 2nd or later in the year depending on the position.

General Fund Reserves - Revised

GENERAL FUND RESERVES

The 2020-21 Revised Budget includes funding to maintain General Fund reserves at 7.5% of revenues. Since 2011-12, the County has increased reserves by \$29 million to create stronger financial stability for the County's General Fund and improve the County's credit rating to AAA as shown in the chart "General Fund Reserves" above. The Proposed Budget reflected an additional contribution of \$0.4 million for a total of \$58.6 million, or nearly 10% of total revenues. Due to financial constraints, no additional contributions were planned for 2020-21 except the restoration payment of \$400,000 for the Natural Disaster reserve replenishment.

As a result of the COVID-19 pandemic, the County immediately implemented a hiring and spending freeze to generate savings. The combined County deficit for 2019-20 and 2020-21 will require the utilization of \$14.2 million in reserves and other one -time funds to offset the anticipated revenue losses, leaving \$44.4 million in General Fund reserves or 7.5% of revenues. Additional restricted reserves of \$2.8 million for Mental Services will be needed by 2021-22, leaving reserves at 7% of revenues.

Details regarding the types of reserves, (Non Spendable, Commitments, and Assignments) are

included in Schedule 4 and explained in the Fund Balance Policy included in the Appendix.

PREPARING FOR THE FUTURE Budget Shortfalls Anticipated

The five-year forecast prepared before the COVID-19 pandemic anticipated budget shortfalls. Looking ahead, there is a great deal of uncertainty. The General Fund is expected to meet its obligations for 2020-21 through reductions to department operations, position eliminations, and a 7.5% to 10% employee furlough. However, due to declining revenues continuing through 2024-25, the General Fund is unlikely to meet its obligations without new or increased revenues and/or continued cost reductions that will impact programs and services. Before COVID-19, using updated projections for average expenditures and slowly declining revenue growth, the annual budget shortfall is \$3-\$7 million but could be as high as \$8-\$12 million if prior year savings are not achieved and revenues stagnate or decline further. The five-year forecast does not include impacts from COVID-19 since it is too early to adequately forecast future years until more information is known. It is anticipated that there will be future increases for health insurance and retirement that could be \$2-\$3 million more.

STATE BUDGET & OTHER IMPACTS

On June 15, 2020, the Legislature passed the 2020-21 Budget Act. The Legislature upheld its constitutional requirement to pass a budget, although legislative leaders openly acknowledged that the Budget Bill passed did not represent a deal with Governor Newsom and did not signify the end of negotiations. The major differences that remained included whether to make deeper cuts or rely more on deferrals and borrowing, how much school funding to provide, and how to structure trigger cuts related to a possible federal aid package. On June 22, 2020, the Governor and the Legislature announced an agreement on the 2020-21 Budget. The main budget bill is Assembly Bill 89/Senate Bill 121. In addition, there are numerous budget trailer bills that the Legislature will also be considering. These trailer bills enact the various policy changes that coincide with the funding in the budget bill.

Realignment Funding. The Legislature's budget package includes \$1 billion for the safety net services counties provide on behalf of the State as a Realignment backfill in 2020-21. Of this total, \$750 million is provided directly and \$250 million is dependent upon the State receiving additional federal COVID-19 relief. The safety net funding is to be used for health and human services programs, entitlement programs, and programs that serve vulnerable populations. The language in the Budget Act does not specify how the funding would be divided up among the various Realignment subaccounts or counties. Rather, the Department of Finance is required to consult with CSAC to develop the countywide allocation schedule for this funding. The remaining \$250 million is dependent upon the federal trigger. By October 15, 2020, the Director of the Department of Finance must determine if the federal government will be providing an additional \$14 billion in COVID-19 relief. If that occurs, counties will receive the additional \$250 million and all of the other funding or cut reversals that are tied to the federal trigger will also occur. If an amount less than \$14 billion, but greater than \$2 billion, is

provided, then each of the trigger items will be adjusted proportionally.

Election Funding. The budget includes just over \$100 million for the increased costs of the November election.

Coronavirus Relief Funds. The budget includes \$1.289 billion in funding for counties to assist for payment for the costs of responding to the COVID-19 pandemic, including both the direct costs of confronting the health effects and the second-level economic effects. The funds were provided by Congress in the Coronavirus Aid, Relief and Economic Security (CARES) Act and must be utilized in compliance with US Department of Treasury guidance. Separate from the county allocation, cities will receive \$500 million from the Coronavirus Relief Fund. The funds will be distributed per capita, though taking into account that counties and cities with a population greater than 500,000 received direct allocations from the federal government. Funding to local governments is contingent upon compliance with the state's stayat-home order, Executive Orders, and Department of Public Health orders and guidance issued in response to the COVID-19 emergency. Local governments are required to certify compliance with the Department of Finance. The County of Santa Cruz is estimated to receive approximately \$28 million from this funding. It is anticipated that the County could use some of these funds to reimburse the County for specific 2019-20 COVID-19 expenses after FEMA, grants and private donations. The remaining funding must be spent by December 30, 2020. A Last Day report will identify the additional resources needed to respond to the emergency.

Federal Stimulus Negotiations Continue. In May, the House passed a \$3 trillion coronavirus stimulus plan, the Health and Economic Recovery Omnibus Emergency Solutions (HEROES) Act, which would be larger than the four previous economic stimulus packages combined that Congress has approved since March to combat the coronavirus.

In addition to state and local aid, the measure's more prominent elements include funding: "hazard pay" to essential employees such as front-line health care workers; testing and contact tracing; a second round of economic impact payments of \$1,200 per family member, up to \$6,000 per household; emergency grants to small businesses through the Economic Injury Disaster Loan program; COBRA subsidies to workers who have lost their health insurance because they've been laid off; extension of weekly \$600 federal unemployment payments through January; and funds to help renters and homeowners make monthly rent, mortgage and utility payments and other housing-related costs. The Senate was unwilling to consider the bill until they saw how the initial stimulus dollars were used.

On July 27, 2020, U.S. Senate Majority Leader Mitch McConnell introduced the Health, Economic Assistance, Liability Protection and Schools (HEALS) Act, the first step in negotiations in the next coronavirus relief package. Key components for counties are summarized below.

The HEALS Act does not allocate additional state and local aid beyond what was already allocated under the CARES Act's \$150 billion Coronavirus Relief Fund but does provide some flexibility for previously allocated CARES Act dollars. This flexibility would allow for CARES Act money to be spent past the original December 30, 2020 deadline, and expand allowable uses of relief payments to include lost revenue. However, only 25 percent of these funds could be used towards revenue shortfalls.

The HEALS Act does contain important public health resources to help counties continue to respond to the coronavirus pandemic. It would allocate \$16 billion for testing, and an additional \$25 billion for the hospital/provider fund, as well as \$15 billion for child care including a new flexible grant program. There are also some investments in the 2020 Census and workforce training that counties could utilize. In all, Leader McConnell's HEALS Act would provide \$302 billion in supplemental appropriations across various programs.

BUDGET PROCESS CONTINUED

The 2020-21 supplemental changes to the Proposed Budget are being provided on August 4, 2020, in order for the public to review the document in advance of Budget Hearings. The hearings are scheduled to begin August 10, 2020 and will continue through August 13, 2020. Prior to the hearings, the Board will be presented any supplemental information and recommendations as necessary to provide up-to-date information.

At the conclusion of the public hearings, the Board of Supervisors will be asked to approve the updated 2020-21 Revised Budget, as modified per any approved supplemental adjustments and additional Board direction during the hearings. The Auditor-Controller will return with a collection of budgetary adjustments for the Board's consideration as the final 2020-21 Adopted Budget on September 29, 2020, as required per State law before October 10th.

Since there is a great deal of uncertainty with the General Fund revenues this year, it may be necessary to modify the 2020-21 Adopted Budget mid year.

FINANCIAL SUMMARIES—UPDATED

The tables on the next few pages provide updated summaries of the 2020-21 Revised Budget, showing financing for All Funds and the General Fund by budget category, type and department compared to the Proposed Budget (as shown in the Recommended column). In addition, a summary is provided for General Fund operational impacts on pages 14-16. Detailed information related to each department can be found in the Departmental Budgets section, and financial summaries presented in the required State schedule format are included in the Budget Schedules section in the Appendix.

2020-21 GENERAL FUND

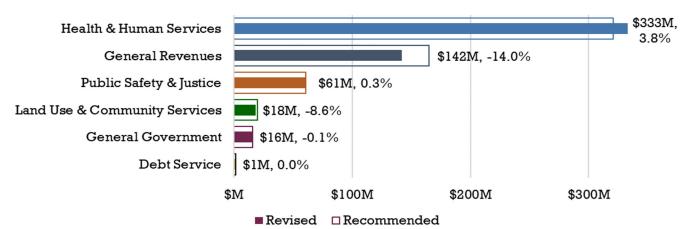

Revised Financing Summary by Category

The 2020-21 General Fund revised financing totals \$580.6 million, including revenues of \$571.3 million and fund balance of \$9.3 million from reserves. The decrease in revenues of \$12.4 million from the 2020 -21 Proposed Budget (shown in the Recommended column) is primarily the result of:

- Decrease of \$9.3 million in reduced Taxes, including TOT (\$5.0 million), Measure G (\$1.1), Sales Tax (\$1.9), deed/transfer tax (\$0.6), residual distribution (\$0.4) and cannabis (\$0.4);
- Decrease of \$1.5 million in Fines & Assessments;
- Decrease of \$1.9 million in Use of Money for interest earnings and rents and concessions;

- Decrease of \$1.6 million in Intergovernmental revenues for State and Federal programs from reduced realignment and other revenue of \$11.8 million, offset by increases in entitlements of \$9.9 million and \$0.3 for election reimbursement;
- Decrease of \$0.4 million in Charges for Services related to reduced recreation programming, offset by increases for recording, consumer protection and planning fees; and
- Decrease of \$1.8 million in Other Financing Sources related to reduced realignment revenue; offset by
- Increases of \$4.4 million in Miscellaneous Revenues for Homeless Services grants.

2020-21 GENERAL FUND

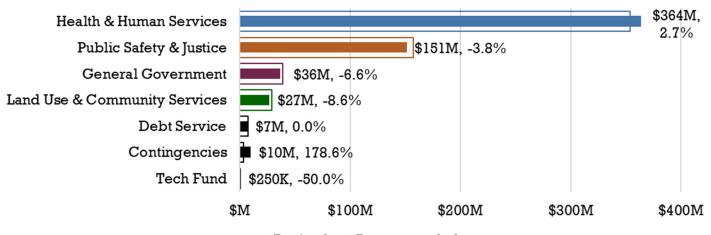

Revised Expenditure Summary by Category

The 2020-21 General Fund recommended expenditures total \$580.6 million, a \$7.3 million decrease (1.2%) from the 2020-21 Proposed Budget (shown in the Recommended column). The decrease is primarily the following:

- Decreased Salaries and Benefits for existing staff of \$21.4 million from implementing a 7.5% to 10% furlough and eliminating funding for 83.35 positions;
- Decreased Fixed Assets of \$0.2 million;
- Decreased Other Financing of \$55,000; and

- Decreased Intra-fund Transfers of \$0.3 million for reimbursements of County costs; offset by
- Increased Contingencies of \$6.1 million for unanticipated costs and reduced revenues;
- Increased Services and Supplies of \$2.9 million, primarily homeless services (\$4.4 million) and human services (\$1.2 million), offset by decreases of \$2.7 million in most other departments for training, travel, memberships and other non-essential costs; and
- Increased Other Charges of \$5.6 million, primarily for entitlements (\$6.4 million), offset by decreases to CORE (\$0.4 million) and emergency services (\$0.2 million).

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$316,197 in expenditures and an increase of \$153,949 in revenues, resulting in a decrease of \$470,146 or 16% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$316,197 includes a decrease of \$296,197 in Salaries and Benefits from the Assessor and Recorder divisions by unfunding 3.0 full-time equivalent (FTE) positions and a decrease of \$20,000 in Fixed Assets from the Recorder division for the postponed purchase of a Microfilm Reader/ Printer. The \$33,949 increase in Services and Supplies and corresponding decrease in IntraFund Transfers is from the realignment of costs for shared IT staff, which is offset by one-time use of Recorder Improvement funds.

Revenues

The revenue increase of \$153,949 includes an increase of \$120,000 in Charges for Services from a continued rise in real estate refinancing transactions allowing for one-time use of funds of \$33,949 from the Recorder Improvement Trust for realignment of costs from a shared IT staff position.

STAFFING

Funded staffing is reduced by 3.0 FTE positions or 10% from unfunding 1.0 FTE Geo Information System Tech II and 1.0 FTE Legal Document Examiner that are vacant as well as 1.0 FTE IT Support Services Analyst II due to a planned retirement.

OPERATIONAL IMPACTS

Services will continue but staffing reductions will impact the department's ability to respond to requests for recording and geographic information services. The IT Support Services Analyst II duties will be absorbed by remaining staff and the Information Services Department.

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before the 2020-21 Monterey Bay Region Overall Work Program (OWP) and Budget were approved. Based on an allocation formula using population and assed valuation ratios, the Association of Monterey Bay Area Governments (AMBAG) approved 2020-21 member dues of \$32,643, which includes a \$1,000 Board meeting allowance, for the County contribution. As a result, the General Fund contribution is reduced by \$164.

EXPENDITURES

The decrease in expenditures of \$164 reflects the County's contribution to AMBAG.

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$460,598 in expenditures and a decrease of \$183,155 in revenues, resulting in a decrease of \$277,443 or 7.6% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$460,598 results primarily from a decrease of \$387,874 in Salaries and Benefits by eliminating funding for 3.5 full-time equivalent (FTE) positions. Services and Supplies also decrease by \$67,049 primarily from reduced office supplies, training and professional services, and Other Charges decrease by \$5,675 from the reduction of the lease of a check scanner.

REVENUES

The revenue reduction of \$183,155 includes a decrease of \$60,000 in Fines and Forfeitures due to expected waivers of penalties and interest on delinquent property tax at the direction of the Governor, a reduction of \$103,155 in Charges for Services due to suspension of collection efforts on delinquent accounts as well as a decrease in estimated property tax redemption fees, and a decrease of \$20,000 in Miscellaneous Revenues also related to the suspension of collection efforts on delinquent accounts.

STAFFING

Funded staffing is reduced by 3.5 FTE positions or 8% by eliminating 1.0 FTE Sr. Account Clerk, 0.5 FTE Account Clerk, 1.0 FTE Collections Officer and 1.0 FTE Administrative Aide due to financial constraints.

OPERATIONAL IMPACTS

Services will continue, but reductions in staffing will impact the department's ability to perform functions as follows:

- There will be a reorganization of the Treasury and Tax-Collector Divisions, resulting in one less staff in each division, the results of which will be longer lines and processing time for taxpayers at the Tax Collector window (approximately 25% decrease) and reduced hours in the Treasury for County departments and other entities to make deposits. (Est. savings \$148,819)
- Collections on delinquent accounts may decrease by approximately \$300,000, a loss to the County's General Fund, resulting from the decrease in Central Collections Division staffing. (Est. savings \$115,522)
- Lastly, tasks currently completed by the Administrative Aide such as Board of Supervisor agenda items, office reorganization assistance, and other projects will need to be reassigned to other staff, who will be spread thin as a result of the layoffs listed above, or not completed. (Est. savings \$107,221)

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$43,872 in expenditures, resulting in a decrease of \$43,872 or 1% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$43,872 includes a decrease of \$25,797 in Salaries and Benefits by reduced funding for 1.0 full time equivalent (FTE) Administrative Aide that is being shared and now transferred to the County Administrative Office and a decrease in Services and Supplies of \$18,175 from a 50% reduction in training and travel costs and other reductions to supplies. In addition, the Board members agree to participate in the County furlough. These costs will be included with the supplemental itemizing the furlough savings for all bargaining units.

REVENUES

None

STAFFING

Funded staffing is reduced by 1.0 FTE position or 6% by transferring a shared Admin Aide to the County Administrative Office due to shift in workload and financial constraints.

OPERATIONAL IMPACTS

Loss of the Admin Aide will impact administration and duties will be shared among the remaining staff.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$353,497 in expenditures and a decrease of \$305,000 in revenues, resulting in a decrease of \$48,497 or 20% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$353,497 includes a decrease of \$104,266 in Salaries and Benefits by eliminating funding for 1.0 full-time equivalent (FTE) position, a decrease in Services and Supplies of \$221,731 primarily from elimination of support for District Attorney services, reduced abatement expenses, office supplies, training and computer equipment software upgrades, and the elimination of fixed asset purchases in the amount of \$27,500.

REVENUES

The revenue reduction of \$305,000 includes a decrease of \$85,000 from reduced services related to enforcement and \$220,000 in licensing fees.

STAFFING

Funded staffing is reduced by 1.0 FTE position or 25% by eliminating one Code Compliance Inspector. The Sheriff's Office has also eliminated support for the embedded Cannabis Enforcement Unit from their budget due to financial constraints.

SUPPLEMENTAL BUDGET OVERVIEW (CONT.)

OPERATIONAL IMPACTS

Major impacts include:

- Reduced compliance inspections for licensed operators;
- No support for prosecutorial services for cannabis violations; and
- Minimal enforcement for illegal operations resulting in reduced citation revenues.

Restoration of the Sheriff's Cannabis Enforcement Unit would result in a \$368,000 increase to the General Fund, which could be partially offset by increased fines of approximately \$60,000. This would result in a General Fund contribution of \$499,194.

Restoration of the District Attorney support would result in an additional \$205,231 increase to the General Fund. When combined with the Sheriff's Cannabis Enforcement Unit, this would result in a General Fund Contribution of \$704,425.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 REVISED BUDGET OVERVIEW

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$828,707 in expenditures and an increase of \$85,000 in revenues, resulting in a decrease of \$913,707 or 20% in General Fund contribution to address financial constraints and consolidate administration of emergency services and economic development under the County Administrative Office as provided in Schedule A.

EXPENDITURES

The expenditure reduction of \$828,707 includes a decrease of \$632,590 in Salaries and Benefits by unfunding 2.25 full-time equivalent (FTE) positions, and a decrease of \$196,117 in Services and Supplies from eliminating memberships and training.

Revenues

The revenue increase of \$85,000 represents a one-time transfer from emergency administration trust funds of \$100,000 offset by minor decreases in charges from the postponement of the 82% Microbusiness Summit due to the COVID-19 pandemic.

STAFFING

As part of a consolidation of the County Administrative Office with Economic Development and Emergency Services, funded staffing is reduced by 2.25 FTE positions or 10%. The consolidation reflects

SUPPLEMENTAL BUDGET OVERVIEW CONTINUED

the mid-year elimination of 1.0 FTE Emergency Services Administrator, 1.0 FTE Economic Development Manager, and 1.0 FTE Economic Development Coordinator, and a reduction of 0.25 FTE Economic Development Coordinator, which is offset by the addition of 1.0 FTE Assoc./Sr. Administrative Analyst and transfer of 1.0 FTE Administrative Aide from Emergency Services. The Clerk of the Board is also being reorganized to eliminate 2.0 FTE Sr. Board Clerks and transfer 1.0 FTE Administrative Aide from the Board of Supervisors, which is currently shared and funded by the County Administrative Office.

OPERATIONAL IMPACTS

SCHEDULE A1: COUNTY ADMINISTRATIVE OFFICE

The County Administrative Office reorganization gains administrative oversite and responsibility for Economic Development and Emergency Services with the addition of 1.0 FTE Assoc./Sr. Administrative Analyst offset by the reduction of other non-essential services, memberships and costs including the Santa Clara/Santa Cruz Roundtable. Additional information on the Economic Development and Emergency Services consolidations is provided below. (Est. savings \$220,392)

The Clerk of the Board reorganization eliminates 2.0 FTE Sr. Board Clerks, transfers 1.0 FTE Administrative Aide from the Board of Supervisors, and transfers some public records work to other staff and departments. (Est. savings \$185,707)

SCHEDULE A2: ECONOMIC DEVELOPMENT

The Economic Development consolidation mid-year with the County Administrative Office eliminates 1.0 FTE Economic Development Manager, 1.0 FTE Economic Development Coordinator and memberships with the Monterey Bay Economic Partnership, California Association for Local Economic Development, California Downtown Association, National Main Street Center, International Council of Shopping Centers, Silicon Valley Economic Alliance, and all local chambers of commerce and business associations. The remaining 0.75 FTE Economic Development Coordinator will be transferred to the Planning Department during the process to prepare for a Community Development Services Division. The consolidation retains support for small businesses, implementation of the property management plan and economic vitality plan, and support for the 2020 Census, and delays the Micro Business Summit due to COVID-19. In addition, the Santa Cruz County Workforce Development Board will continue to oversee the Comprehensive Economic Development Strategy. (Est. savings \$211,223 including salary and benefit savings of \$301,719 offset by reduced revenues and other adjustments.)

SCHEDULE A3: EMERGENCY SERVICES

The Emergency Services consolidation mid-year with the County Administrative Office eliminates 1.0 FTE Emergency Services Administrator, reassigns duties to existing staff, and retains support for ongoing administration of emergency services with the transfer of 1.0 FTE Administrative Aide and one-time use of emergency services trust funds of \$100,000. The consolidation is consistent with the organizational structure of other counties and places the function directly under the County Administrative Officer who serves as Director of Emergency Services. During the COVID-19 pandemic, numerous staff from the County Administrative Office have been assigned to the County Emergency Operations Center and are performing key management and planning roles for the incident. The General Services Department will continue to be involved in planning and logistics for emergency preparedness, management and response. (Est. savings \$296,385)

SUPPLEMENTAL BUDGET OVERVIEW

20-21 REVISED BUDGET OVERVIEW

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for an increase of \$93,965 in expenditures and an increase of \$349,795 in revenue, resulting in a decrease of \$255,830 or 11.1% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$93,965 includes a decrease of \$72,444 in Salaries and Benefits by the mid-year elimination of funding for a 1.0 full-time equivalent (FTE) position. The Services and Supplies increase of \$166,409 is primarily related to increased costs for Vote By Mail and acceleration of the Voting Center Model, originally intended to be implemented in Fiscal Year 2021-22, and is offset by reductions in election officers, travel, and training.

REVENUES

The revenue increase of \$349,795 is primarily related to estimated State funding of \$300,000 for increased election costs, and new and increased charges for Clerk Services.

STAFFING

Funded staffing is reduced by 1.0 FTE position or 7% through the mid-year elimination of funding for a program coordinator due to a planned retirement.

OPERATIONAL IMPACTS

Services will continue, though the staffing reduction may impact wait times for election and clerk services. The Program Coordinators duties will be absorbed by remaining staff.

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$288,661 in expenditures and no change in revenues, resulting in a decrease of \$288,661 or 13% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$288,661 results primarily from a decrease of \$248,586 in Salaries and Benefits by eliminating funding for 2.0 full-time equivalent (FTE) positions. Services and Supplies also decrease by \$40,075 primarily from reduced telecom, office supplies, training and professional services for outside legal services.

Revenues

No Change.

Staffing

Funded staffing is reduced by 2.0 FTE positions or 10% by unfunding 1.0 FTE vacant attorney and 1.0 FTE Sr. Legal Secretary due to a retirement and financial constraints.

OPERATIONAL IMPACTS

Loss of an attorney position means that the County's legal work must be done by fewer people during a time when the need for legal services is increasing in unforeseen ways. This is expected to lead to production delays and longer turn-around times for review of legal documents as well as the completion of legal research and other projects. Loss of the Sr. Legal Secretary position will result in increasing administrative and clerical workload for the remaining staff.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$364,508 in expenditures and an increase of \$23,290 in revenue, resulting in a decrease of \$387,798 or 20% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$364,508 includes a decrease of \$440,636 in Salaries and Benefits primarily achieved by eliminating 1.0 full-time equivalent (FTE) position, and unfunding 3.0 FTE positions. Services and Supplies also decrease by \$68,951 from interest-free financing deferral of energy efficiency upgrades and reduced contracted services. Intra-fund transfer billings decreased by \$145,079 as a result of not funding two maintenance positions that provide offsetting revenue.

Revenues

The revenue increase of \$23,290 is primarily related to reimbursement of staff costs for construction management services.

STAFFING

Funded staffing is reduced by 4.0 FTE positions. The Parking Attendant position is eliminated, and the Building Construction Project Manager, Maintenance Custodian, and Clerk III positions are recommended to be unfunded.

OPERATIONAL IMPACTS

The unfunded Clerk III duties will be absorbed by existing administrative staff, including front desk customer service for the department, answering telephone calls and preparing department security badges. Services will continue, though wait times may be impacted.

The Building Construction Project Manager and Maintenance Custodian positions were both newly proposed for 2020-21. Not funding these positions will impact both Facilities and Building Maintenance, divisions that are already impacted by a backlog of work orders. Work orders will be prioritized on a health and safety basis, so requests for non-essential tenant improvements may be impacted.

As a result of eliminating the Parking Attendant position, parking lots at County facilities will only be patrolled for egregious parking violations, such as parking in spaces reserved for disabled access. A new pilot parking program will be rolled out in July to create a pooled parking lot at the County Government Center, rather than assigned employee parking spaces, which will result in more parking spaces becoming available.

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$905,721 or 5% in expenditures and revenues to address financial constraints.

EXPENDITURES

The expenditure reduction of \$905,721 includes a decrease of \$951,461 in Salaries and Benefits by eliminating funding for 2.5 full-time equivalent (FTE) positions and providing for the approved furloughs. Services and Supplies also decreased by \$206,392 primarily from reduced software purchase, training and professional services. These are offset by an increase of \$252,132 in Intrafund Transfers. Non-essential Fixed Assets are reduced by \$585,000, offset by Fixed Asset offset for capitalization.

Revenues

The revenue reduction of \$905,721 is attributed entirely to decreases in Charges for Service to the departments from reduced costs.

STAFFING

Funded staffing is reduced by 3.0 FTE positions or 4.8% by unfunding 1.0 FTE IT Application Development / Support Analyst II, 1.0 FTE Sr. Communications Technician, and 1.0 FTE IT Application Development / Support Analyst III.

OPERATIONAL IMPACTS

Services will continue but staffing reductions will impact the department's ability to respond as timely to requests for IT related services and may limit resources available to agencies outside the County.

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$150,715 in expenditures and an increase of \$4,020 in revenues, resulting in a decrease of \$154,735 or 20% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$150,715 includes a decrease of \$126,468 in Salaries and Benefits by unfunding 1.0 full-time equivalent (FTE) position and a decrease of \$13,254 in Services and Supplies primarily from reduced postage, rents, misc. expenses, and professional services for non-essential programs. An increase of \$10,993 in IntraFund Transfers reflects increased direct charges to departments with out-stationed Personnel staff.

REVENUES

The revenues increase of \$4,020 in Charges for Services is to offset salary and benefits costs not originally accounted for in the Proposed Budget.

STAFFING

Funded staffing is reduced by 1.0 FTE position or 4% by unfunding a vacant Personnel Technician due to financial constraints.

OPERATIONAL IMPACTS

Services will continue but the staffing reduction will impact the department's ability to respond to requests for recruitment services. The department will continue to use process improvement concepts and tools to reduce the impacts on services.

SUPPLEMENTAL BUDGET SUMMARY

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$930,600 in expenditures and revenues. The Department of Child Support Services (DCSS) is fully subvented by State and federal allocations and does not receive a General Fund contribution.

EXPENDITURES

The expenditure reduction of \$930,600 (14%) includes a decrease of \$984,169 in Salaries and Benefits from eliminating 10.0 full-time equivalent (FTE) positions and an increase of \$53,569 in Services and Supplies from increased legal tele-services and network charges, which is offset by decreases in training and travel costs.

REVENUES

The revenue reduction of \$930,600 in Intergovernmental Revenue results from a 14% decrease in combined State and federal allocations.

STAFFING

Funded staffing is reduced by 10.0 FTE positions or 24% as a result of a State decision to link allocation to caseload ratios. Staffing changes include deleting 1.0 FTE Child Support Attorney III, 3.0 FTE Child Support Specialist I, 3.0 FTE Child Support Specialist II, 1.0 FTE Sr. Accounting Technician, and 2.0 FTE Supervising Child Support Specialist.

OPERATIONAL IMPACTS

The Revised Budget deletes 10.0 FTE filled positions as a result of a State decision to link allocation to caseload ratios. DCSS is considered overfunded as compared to other counties and is receiving a reduced allocation. Caseload ratios will increase as a result of decreased allocation and positions.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$1,014,806 in expenditures and an increase of \$203,695 in revenues, resulting in a decrease of \$1,218,501 or 10% in General Fund contribution to address financial constraints, and no change in other funds.

SCHEDULE A

Schedule A provides an overview of the Health Services Agency (HSA) budget, reflected in detail in supplemental changes A-1 through A-6.

SCHEDULE A-1: ADMINISTRATION

HSA Administration provides for a decrease of \$10,374 in Salaries and Benefits due to retirements, a minor increase of \$1,808 in Services and Supplies, and a decrease of \$8,821 in IntraFund Transfers due to a reduction of administrative allocation to the HSA divisions. There are no revenue changes, resulting in a \$255 increase in General Fund contribution.

SCHEDULE A-2: CLINICS

HSA Clinics provides for a decrease of \$4,543 in Salaries and Benefits due to retirements, a decrease of \$198,309 in Services and Supplies due to a decrease in use of extra help and minor contract changes, and a decrease of \$1,503 in Other Charges due to reduced administrative allocation costs. The expenditure reduction is offset by a revenue reduction of \$90,581 due to delays in expanding acupuncture services related to the State budget, resulting in a \$104,715 decrease in General Fund contribution.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$1,014,806 in expenditures and a decrease of \$203,695 in revenues, resulting in a decrease of \$1,218,501 or 10% in General Fund contribution to address financial constraints, and no change in other funds.

SCHEDULE A

Schedule A provides an overview of the Health Services Agency (HSA) budget, reflected in detail in supplemental changes A-1 through A-6.

SCHEDULE A-1: ADMINISTRATION

HSA Administration provides for a decrease of \$10,374 in Salaries and Benefits due to retirements, a minor increase of \$1,808 in Services and Supplies, and a decrease of \$8,821 in IntraFund Transfers due to a reduction of administrative allocation to the HSA divisions. There are no revenue changes, resulting in a \$255 increase in General Fund contribution.

SCHEDULE A-2: CLINICS

HSA Clinics provides for a decrease of \$4,543 in Salaries and Benefits due to retirements, a decrease of \$198,309 in Services and Supplies due to a decrease in use of extra help and minor contract changes, and a decrease of \$1,503 in Other Charges due to reduced administrative allocation costs. The expenditure reduction is offset by a revenue reduction of \$90,581 due to delays in expanding acupuncture services related to the State budget, resulting in a \$104,715 decrease in General Fund contribution.

SCHEDULE A-3: PUBLIC HEALTH

HSA Public Health provides for an increase of \$474,522 in Salaries and Benefits due to positions added for COVID-19 response, a decrease of \$41,770 in Services and Supplies related to grant-funded costs and other minor changes, and a decrease of \$980 in Other Charges related to reduced administrative allocation costs. The expenditure increase of \$431,772 is offset by a revenue increase of \$548,761, largely due to use of one time funding from HSA's realignment trust, resulting in a \$116,989 decrease in General Fund contribution.

SCHEDULE A-4: BEHAVIORAL HEALTH

HSA Behavioral Health provides for a decrease of \$1,076,145 in Salaries and Benefits due to retirements, unfunding 8.5 full-time equivalent (FTE) positions, and deleting 3.0 FTE positions. A decrease of \$170,218 in Services and Supplies is due to elimination of 30% of the Pathways program, and reallocation of minor charges, and a decrease of \$5,578 in Other Charges is related to reduced administrative allocation costs. The expenditure reduction of \$1,251,941 is offset by a revenue reduction of \$317,598 due to reduced State and federal funding, and the use of one-time funds from the Intergovernmental Transfer Trust, resulting in a \$934,343 decrease in General Fund contribution.

SCHEDULE A-5: BENEFITS

HSA Benefits provides for a \$302 decrease in expenditures and no change in revenues, resulting in a \$302 decrease in General Fund contribution.

SCHEDULE A-6: ENVIRONMENTAL HEALTH

HSA Environmental Health provides for an increase of \$1,060 in Salaries and Benefits due to one retirement and offsetting changes, and a decrease of \$354 in Other Charges due to reduced administrative allocation costs. The expenditure reduction of \$706 is offset by a revenue increase of \$63,113 from one-time funds from CSA-12, resulting in a \$62,407 decrease in General Fund contribution, and no change in other Environmental Health funds.

STAFFING

Funded staffing is reduced by 14.1 FTE positions, including 14.6 FTE positions due to planned retirements, and various changes that result in a net increase of 0.5 FTE positions. In the combined Proposed and Revised Budgets 15.5 FTE Behavioral Health positions are either unfunded or transferred to other HSA divisions, including 4.0 FTE positions that are transferred to Public Health to support the response to COVID-19.

OPERATIONAL IMPACTS

HSA is striving to meet community needs on several fronts as the Santa Cruz County community responds to and recovers from the COVID-19 pandemic. HSA services rely heavily on State realignment (sales tax and vehicle license fees) and Mental Health Services Act (MHSA) funding (tax on incomes greater than \$1 million), both of which project to be heavily impacted by the economic recession. To make up for lost revenue, one-time funds in the amount of \$4,663,184 are allocated, primarily in behavioral health services. In addition, realignment revenues are budgeted at status quo, and the Last Day report will transfer realignment revenue losses, offset by the State realignment backfill.

HSA and its community providers are prioritizing mandated services, and utilizing one-time funding to maintain critical community health supports. HSA will continue to look for opportunities to invest in long-term, regenerative solutions to meet growing needs, especially in mental health and substance use.

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for an increase of \$4,277,411 in expenditures and an increase of \$4,415,139 in revenues, resulting in a decrease of \$137,729 or 11% in General Fund contribution to address financial constraints.

Expenditures

The expenditure increase of \$4,277,410 results from a \$4,424,110 increase in Services and Supplies for the rebudget of the Year Two Homeless Emergency Aid Program (HEAP) and California Emergency Solutions and Housing (CESH) contracts issued to service providers. This is offset by minor reductions of \$88,921 in Salaries and Benefits from the elimination of Extra Help and \$57,779 in Other Charges from the elimination of Contributions to Other Agencies.

Revenues

The revenue increase of \$4,415,139 reflects a \$4,160,003 increase in Contributions from Other Funds for the rebudget of the Year Two HEAP and CESH-funded activities; \$152,432 increase in Contributions and Donations to support Homeless Management Information System costs; and \$102,704 increase in Cost Recovery for Continuum of Care (CoC) jurisdictional contributions. In 2020-21, all CoC administrative activities that jurisdictions contribute to will be payable to the Homeless Services Coordination Office instead of Planning.

STAFFING

Extra Help staffing is reduced by \$88,821. There are no further staffing changes. Consistent with the Board decision in May to create the Housing for Health Division within Human Services Department for homeless services, the Homeless Services Coordination staffing will be transferred to the new division as part of a Last Day report.

OPERATIONAL IMPACTS

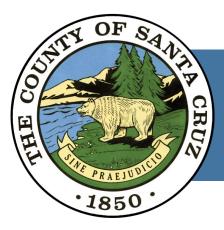

Operational impacts will be minimal, as the majority of the funding within this budget is from state and federal sources. Extra Help will be eliminated, and there will be a small impact on funds available for direct services. In addition to a 11% reduction in General Fund contribution, this budget absorbs \$111,659 in central CoC administrative costs paid for in prior years through the Planning Department Housing Services contract. Funded CoC central costs include the CoC consultant, biannual point in time count, Hearth Act implementation, and coordinated entry. The impact of this absorption of CoC costs will be an equal reduction in funds available for homeless services.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for an increase of \$7,744,175 in expenditures and an increase of \$8,471,936 in revenues, resulting in a decrease of \$727,761 or 5% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure increase of \$7,744,175 is primarily due to increases in Other Charges of \$6,408,874 from increased client and professional services related to increased State and federal funding. Salaries and Benefits also increase by \$96,592 and Services and Supplies increase by \$1,238,709 primarily from professional services offset by non-essential costs such as memberships, travel and training.

REVENUES

The revenue increase of \$8,471,936 is primarily due to an increase of \$9,947,578 in Intergovernmental Revenue, a decrease of \$45,016 in Charges for Services, and a decrease of \$1,430,626 in Other Financing. Intergovernmental Revenue increases are based on additional State funding in anticipation of CalWORKs caseload growth resulting from the COVID-19 pandemic and increased federal participation in foster care, adoptions, and KinGAP programs. The decrease in Charges for Services anticipates decreased cost recovery collections for the Absent Parents program. The decrease in Other Financing is primarily due to

SUPPLEMENTAL BUDGET OVERVIEW CONT'D

a shift of State funding to federal funding largely related to CalWORKs caseloads. In addition, realignment revenues are budgeted at status quo, and the Last Day report will transfer realignment revenue losses, offset by the State realignment backfill.

STAFFING

Funded staffing increases by 2.0 full-time equivalent (FTE) positions. Staffing changes include the deletion of 1.0 FTE Senior Social Worker, addition of 1.0 FTE Benefits Representative Supervisor and 1.0 FTE Social Worker II/I, and funding of 3.0 FTE Benefits Representatives and 1.0 FTE Employment and Training Specialist II. Additionally, 1.0 FTE Facilities Manager Position and 1.0 FTE Program Manager position are unfunded due to vacancies, and 1.0 FTE Clerk II is unfunded due to a planned retirement. Lastly, 1.0 FTE Benefits Representative is currently unfunded and will be deleted.

OPERATIONAL IMPACTS

SCHEDULE A1: HUMAN SERVICES DEPARTMENT

It is anticipated that the economic impacts of the COVID-19 pandemic, which include increased unemployment, will increase the need for cash assistance support, such as CalWORKs and General Assistance. The COVID-19 pandemic has led to a significant increased demand for safety net services that is anticipated to continue. CalFresh and CalWORKs caseloads are expected to increase by 25% to 30% by the end of the fiscal year while General Assistance caseload growth is anticipated to increase at least 20%. The sudden surge in economic vulnerability will strain staff capacity to meet demand for timely application processing and case maintenance. As a result, the staffing changes will support the projected caseload increases from increased State and federal funding offset by minor reductions in vacant staffing due to financial constraints. Duties of vacant positions will be reassigned to existing staff.

SCHEDULE A2: SOCIAL SERVICES

Social Services includes increased State and federal funding of \$5,181,490 for CalWORKs and CalFresh assistance offset by minor reductions in child welfare services and Medi-Cal. Increased revenues provide funding for 6.0 FTE positions and related services and supplies, which are offset by reductions for 4.0 FTE positions and non-essential costs for memberships, training and travel.

SCHEDULE A3: ENTITLEMENTS

Entitlements includes increased State and federal funding of \$4,766,088 for increased CalWORKs caseloads and increased federal participation of 6.2% for foster care, adoptions and KinGap offset by increased Other Charges primarily for temporary assistance for needy families of \$3,604,674.

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$129,101 in expenditures and an increase of \$16,061 in revenues, resulting in a decrease of \$145,162 or 20% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$129,101 includes a decrease of \$111,024 in Salaries and Benefits by unfunding 1.0 full-time equivalent (FTE) position and a decrease in Services and Supplies of \$18,077 primarily from reduced memberships, training and related travel expenses and professional services contracts with other counties for contracting work related to the inspection of liquid petroleum and fuel delivery tank meters.

REVENUES

The revenue increase of \$16,061 includes a one-time transfer of \$56,535 from the Agricultural Trust Fund offset by a decrease of \$10,474 for reductions in various State agreements and a decrease of \$30,000 due to the discontinuation of the Lettuce Inspection Program.

STAFFING

Funded staffing is reduced by 1.0 FTE position or 4% from unfunding a Weights and Measures Inspector position, which is shared by both the Agricultural Commissioner and Weights and Measures divisions due to financial constraints.

OPERATIONAL IMPACTS

Major impacts include the:

- Discontinuation of the Lettuce Standardized Inspection Program due to industry selfimplemented robust quality standards eliminating the need to provide the services of this program;
- Placing the Retail Egg Inspection on hold due to a reduction in staffing available to perform the work;
- Reduced inspections in the Quality Control program of pre-packaged goods for accuracy and compliance with the Fair Packaging and Labeling Act due to lack of staff; and,
- Reduced ability to complete all inspections related to cannabis inspections due to reduction in staffing available to perform the work.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$7,125 in expenditures and no change in revenues, resulting in a decrease of \$7,125 or 5% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$7,125 includes a decrease in Services and Supplies of \$7,125 primarily from reduced supplies, equipment lease, miscellaneous services and vehicle service charges.

Revenues

No change in revenues.

STAFFING

No change is staffing.

OPERATIONAL IMPACTS

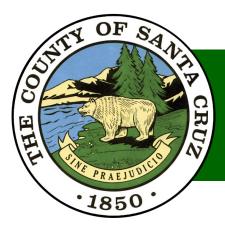

The Agricultural Cooperative Extension is financed completely by the General Fund. For every dollar that the County contributes, the University of California contributes four dollars. The Agricultural Cooperative Extension budget funds one employee as staff to the University of California researchers.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 REVISED BUDGET OVERVIEW

The 2020-21 Revised Budget updates the Proposed Budget provided (shown in the Recommended column) before the Monterey Bay Air Resources District (MBARD) approved a final 2020-21 budget. MBARD approved a status quo per capita fee amount of \$0.47, resulting in fees of \$62,741 for the County contribution. As a result, the General Fund contribution is reduced by \$108.

EXPENDITURES

The expenditure reduction of \$108 reflects the County's contribution to MBARD.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$1,355,631 in expenditures and an decrease of \$1,509,391 in revenues, resulting in no change in the General Fund contribution and an increase of \$153,760 in Other Funds from CSA 11 available fund balance to address financial constraints.

EXPENDITURES

The expenditure reduction of \$1,355,631 results primarily from a decrease of \$1,176,030 in Salaries and Benefits by unfunding 5.5 full-time equivalent (FTE) positions. Services and Supplies also decrease by \$179,601 primarily from reducing non-essential costs and other reduced costs related to facilities closures.

REVENUES

COVID-19 has heavily impacted Park and Recreation revenues resulting in a decrease of \$1,509,391, which is offset by the expenditure reduction and increased use of CSA 11 available fund balance. These revenue reduction includes \$657,478 in Rents & Concessions from reduced park reservations and \$851,313 in Charges for Services due to restrictions on aquatics operations and recreation programming. Miscellaneous Revenues are reduced by \$600 due to eliminations of some recreational events and programs.

STAFFING

Funded staffing is reduced by 5.5 FTE positions or 11%. Staffing changes include the deletion of 2.0 FTE Recreation Coordinators, 1.0 FTE Building Maintenance Supervisor, 1.0 FTE Parks Maintenance Worker I/ II, and 0.5 FTE Clerk II. The Revised Budget also unfunds 1.0 FTE Personnel Payroll Clerk and 1.0 FTE Recreation Supervisor, and funds 1.0 FTE Parks Maintenance Worker I/II, which was unfunded in the Proposed Budget. Lastly, the reclassification of 1.0 FTE Parks Maintenance Worker I/II to 1.0 FTE Parks Maintenance Supervisor is included in the Revised Budget.

OPERATIONAL IMPACTS

The Revised Budget includes significant impacts to operating revenues for 2020-21 due to COVID-19. While operational impacts are detailed on the following pages, the overall effect will be greatly reduced recreation programming and streamlined park maintenance operations.

Administrative support is reduced by the elimination of the Personnel Payroll Clerk and Clerk II. The duties of these positions will be reassigned to other staff. This will limit the department's ability to conduct other services such as marketing and social media outreach to the public about parks programs and services, as well as plan and produce special events.

Park Maintenance staffing is reorganized due to financial constraints while maintaining primary park operations in order to limit delaying deferred maintenance. Reduced staffing, including extra help, will limit the capacity for special projects.

Recreation programs are significantly reduced with the reduction of 3.0 FTE positions. The Revised Budget eliminates funds for Quail Hollow Interpretive Program, Seniors Programs, Special Classes and Cultural Programs. Recreation will focus on redesigned youth recreation programs that adhere to COVID -19 safety protocols.

Aquatics Programs will be curtailed to comply with COVID-19 safety protocols, including reduced capacity for lap swimming, no free swim, no swim lessons or special classes. Park reservations are greatly impacted by restrictions on group activities resulting in minimal reservations for small groups.

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$38,091 in expenditures and General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$38,091 includes a 10% decrease to each cultural services program as follows: \$17,005 to the Arts Council of Santa Cruz County, \$15,459 to the Museum of Art and History (MAH) at the McPherson Center, and \$3,711 in other cultural service programs. The Recommended Budget included a 7.5% reduction to the Santa Cruz County Veterans Memorial Building Board of Trustees contribution; therefore, the Revised Budget reflects the remaining 2.5% reduction of \$1,916 to achieve the 10% reduction target of \$7,665.

REVENUES

None.

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$787,771 in expenditures and a decrease of \$222,902 in revenues, resulting in a decrease of \$564,869 or 20% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$787,771 includes a decrease of \$410,146 in Salaries and Benefits from unfunding 3.0 full-time equivalent (FTE) positions, a decrease of \$108,575 in Services and Supplies primarily from reduced memberships, supplies, training, travel and professional services related to computer services and outside planning reviewers, a decrease of \$3,000 in Other Charges for the elimination of a copy machine lease, and an increase of \$266,505 in IntraFund Transfers for administrative costs associated with housing grants management and funding for the General Plan update.

REVENUES

The revenue reduction of \$222,902 includes a decrease of \$379,163 in construction permits related to activity declines from COVID-19 and a decrease of \$55,000 in zoning permits. These are offset by an increase of \$211,261 in Charges for Services due to increased revenues from photovoltaic, environmental and vacation rental fees as well as expected funding for staff services related to new State grants.

STAFFING

Funded staffing is reduced by 3.0 FTE positions or 4% from unfunding 1.0 FTE Building Permit Technician II, 1.0 FTE Senior Building Permit Technician and 1.0 FTE Housing Program Manager due to planned retirements.

OPERATIONAL IMPACTS

Services will continue without interruption. Planning review services conducted by additional outside reviewers will be discontinued. In order to continue the PRIMO! workplan, Planning, Public Works and Environmental Health have begun the process of preparing for a Community Development Services Division in order to create organizational efficiencies that result in improved customer service. No budgetary impacts are planned for the 2020-21 fiscal year.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$6,345,103 in expenditures and an decrease of \$7,938,565 in revenues, resulting in a decrease of \$41,668 or 20% in General Fund contribution and an increase of \$1,635,130 or 29.3% in Other Funds to address financial constraints.

EXPENDITURES

The expenditure reduction of \$6,345,103 includes a decrease of \$2,506,726 in Salaries and Benefits from furlough savings, and net staffing reductions of 3.30 full-time equivalent (FTE) positions, from unfunding three positions, deleting two part-time positions, and adding one position. The decrease of \$3,868,377 in Services and Supplies is primarily related to funding for 2016-17 Winter Storm projects that were originally in the 2020-21 Proposed Budget but were accelerated to 2019-20, offset by increased work for the Regional Transportation Commission (RTC).

Revenues

The revenue reduction of \$7,938,565 is primarily due to \$4.5 million in federal and state funding for accelerated storm damage projects, as well as gas tax and Measure D sales tax losses of approximately \$1.4 million, and reduced project billings of \$2.4 million. The revenues are offset by \$1.3 million for RTC projects.

STAFFING

Funded staffing is reduced by 3.3 FTE positions or 1%. An Electrical Tech II and an Accountant III are unfunded due to retirements. The Climate Action Manager position was a 2019-20 mid-year addition, with the intention to establish a Climate Action section. Due to funding constraints, the position and program are temporarily paused until financial conditions improve. An Accountant III position is recommended for addition to assist the department with complex financial transactions, offset by deletion of a 0.8 FTE Clerk III and 0.5 FTE Sr. Account Clerk.

OPERATIONAL IMPACTS

The revised budget includes furlough savings of 7.5% for all staff for 2020-21. Operational impacts are detailed in charts on the following pages; however, the overall effect will be fewer productive hours to perform work.

In order to continue the PRIMO! workplan, Planning, Public Works and Environmental Health have begun the process of preparing for a Community Development Services Division in order to create organizational efficiencies that result in improved customer service. No budgetary impacts are slated for the 2020-21 fiscal year.

The Administration division is adding an Accountant III position to assist with increasingly complex financial transactions, including federal and state grant reporting, and deleted two vacant part-time positions for a net reduction of 0.30 FTE positions. A Climate Action Manager was added mid-year in 2019-20 with the intention of launching a new Climate Action program that would focus on ways for the County to reduce greenhouse gases and implement other climate change initiatives. Although the Climate Action Manager was partially funded through a General Fund contribution, the position will be unfunded and this important program will be delayed until financial conditions for the County improve. (Est. savings \$205,853.) Furlough impacts for Administration will result in slight delays of payments, contracts, grant invoicing and other administrative services.

Road Operations has a sizeable loss of gas tax revenue but managed to avoid reduction to maintenance crews with use of prior-year fund balance. Overall, there will be a reduction in road maintenance work performed due to furloughs. Work previously performed by contract, such as mowing and tree-trimming will be partially performed by maintenance crews, with an emphasis on health and safety work and will also include pothole patching and ditch and culvert cleaning. Repair projects from the 2016-17 Winter Storms will continue, with furlough hours expected to have a minimal impact on design completion.

The Survey counter provides general survey information to the public and the development community but has had limited hours since 2012. The counter has historically been underfunded, as it is a General Fund expense with few opportunities for offsetting revenue. The Survey counter will now be closed to the public, who will be referred to a list of private surveyor firms in the County. Staffing the counter on a regular basis would cost approximately \$80,000 to \$100,000.

Recycling and Solid Waste will likely experience revenue loss as a result of reduced refuse coming to the landfill, which typically happens during downturns in the economy. However, revenue loss will be offset by the savings from furlough implementation. Operational hours may be adjusted at the Buena Vista Landfill and Ben Lomond Transfer Station to account for furloughs.

The Stormwater Management section may have a slight revenue decline from permit reviews of private developments. This potential loss of revenue will be offset by the furlough implementation as well as

SUPPLEMENTAL BUDGET OVERVIEW CONT'D

slight staff reduction resulting from an internal reorganization. Both the Stormwater Management and Flood Control sections have a significant portion of funding from property assessments which are not expected to be impacted.

The Construction Division is funded by the projects from Roads, Sanitation, Recycling and Solid Waste, Capital Projects, as well as from private developments. This section is currently experiencing a high volume of construction projects and is not expected to see operational impacts for 2020-21.

Sanitation Engineering and Sanitation Operations are funded through service charges and are also not expected to experience operational impacts for 2020-21.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$118,224 in expenditures and no change in revenue, resulting in a decrease of \$118,224 or 9% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$118,204 is a result of the revised budget for 911 Communications that was approved by the Joint Powers Authority Board for Santa Cruz Regional 911 (SCR911) on May 21, 2020. The member contributions were adjusted as a result of fiscal uncertainty and reduced to "bare minimum" expenses, including adjustments to Insurance and Benefits, elimination of a landscaping project and Human Resources software, and removal of dispatch "over-hires".

REVENUES

There are no changes to revenue.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$926,733 in expenditures and an increase of \$125,876 in revenues, resulting in a decrease of \$1,052,609 or 7.5% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$926,733 includes a decrease of \$673,836 in Salaries and Benefits by unfunding 4.0 full-time equivalent (FTE) positions and deleting 1.0 FTE position added in the Proposed Budget, a decrease of \$127,978 in Services and Supplies primarily related to a reduction in professional services, and an increase of \$124,919 in IntraFund Transfers due to cannabis revenue losses offset by increased Consumer Protection management fees.

REVENUES

The revenue increase of \$125,876 is primarily due to an increase in Charges for Services from Consumer Protection management fees.

STAFFING

Funded staffing is reduced by 4.0 FTE positions or 3.7% by unfunding 3.0 FTE DA Attorney I-IVs, and 1.0 FTE Program Coordinator, while deleting 1.0 FTE DA Attorney III, which was added in the Proposed Budget to administer the Neighborhood Court Program. Finally, a correction to the Proposed Budget refunds a 1.0 FTE Legal Secretary.

OPERATIONAL IMPACTS

Losing 4.0 FTE attorney positions will impact the District Attorney's ability to review, investigate, and prosecute criminal and civil cases. Additionally, the staffing reduction will limit the ability of the office to pursue criminal justice system alternatives such as the Neighborhood Court Program.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$952,431 in expenditures and \$115,764 in revenues, resulting in a decrease of \$836,667 or 10% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$952,431 includes a decrease of \$710,879 in Salaries and Benefits by unfunding 6.0 full-time equivalent (FTE) positions, a decrease of \$246,468 in Services and Supplies primarily related to accounting for Probation's Proposition 47 grant, and a minor increase of \$4,916 in Other Charges.

REVENUES

The revenue reduction of \$115,764 is primarily due to reductions in State funding, partially offset by increased use of fund balance, and also includes reduced revenue related to the Proposition 47 grant.

STAFFING

Funded staffing is reduced by 6.0 FTE positions or 5% by unfunding 4.0 FTE Deputy Probation Officers, 1.0 FTE Accountant III, and 1.0 FTE Program Coordinator due to financial constraints.

OPERATIONAL IMPACTS

Unfunding 6.0 FTE positions reduces Probation's overall capacity to conduct community supervision, particularly for those who are at moderate to high risk to reoffend. The ability to serve vulnerable populations is impacted. Jail and detention alternatives programs will also be impacted. The result may be increased incarceration for impacted adult clients, and increased detention, out of home placement, and state commitments for youth clients.

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$3,790,372 in expenditures and an increase of \$88,000 in revenues, resulting in a decrease of \$3,878,372 or 7% in General Fund contribution to address financial constraints.

EXPENDITURES

The expenditure reduction of \$3,790,372 includes a decrease of \$2,806,305 in Salaries and Benefits from unfunding 13.0 full-time equivalent (FTE) positions and deleting 8.0 FTE positions, a decrease of \$745,547 in Services and Supplies primarily from reductions in clothing, equipment replacement, non-mandatory training, maintenance expenses and supplies as well as contracting out for food services in the jails, elimination of Fixed Assets in the amount of \$183,520, and reductions in Other Financing in the amount of \$55,000 for a new transport van.

REVENUES

The revenue increase of \$88,000 includes an increase in Charges for Services from the Inmate Welfare Trust Fund.

STAFFING

Funded staffing is reduced by 21.0 FTE positions or 6%, adding 1.0 FTE Corrections Officer, unfunding 4.0 FTE Records Clerks, 2.0 FTE Criminalist I, 2.0 FTE Program Coordinators, 1.0 FTE Supervising Corrections Officer, and deleting 4.0 Supervising Correction Officers, 8.0 FTE Cooks and 1.0 FTE Head Cook due to financial constraints.

OPERATIONAL IMPACTS

Major programmatic impacts in Operations as outlined in Schedule A1 are as follows:

- The cancellation of Police Academy classes due to COVID-19 resulted in the transfer of 10.0 FTE Deputy Sheriff Trainees to previously unfunded Corrections Officer positions in exchange for unfunding 10.0 FTE Deputy Sheriffs for a net savings of \$347,959. This may result in increased overtime costs due to the lack of available staff.
- Disbanding the Focused Intervention Team (FIT) and redeploying staff to other assignments at a savings of \$759,150, which is expected to create higher calls for service for patrol staff, Mental Health services, AMR (ambulance) and Fire as they respond to calls from this sub-population of repeating low-level offenders.
- Unfunding a vacant 1.0 FTE Program Coordinator for the Sexual Assault Forensic Examiner Program at a savings of \$97,025. Coordination with law enforcement agencies and contract management of this program will be assigned to other employees.
- Disbanding the Cannabis Compliance Unit and redeploying staff to other assignments at a savings of \$368,861, which is expected to lead to increases in illegal cannabis activity throughout the County.
- Unfunding 2.0 FTE Criminalist I positions that are vacant at a savings of \$225,718. These two positions would have been assigned to the new section in the laboratory in preparation for becoming a full-service, accredited DNA laboratory. This could delay accreditation and final implementation.
- Elimination of all non-mandated training and travel at a savings of \$455,972, which reduces the ability of staff to explore and learn innovative policing and conflict resolution strategies.

Major programmatic impacts in Corrections as outlined in Schedule A2 are as follows:

- Funding 10.0 FTE Corrections Officers and adding 1.0 FTE position due to Deputy Sheriff Trainee demotions in fiscal year 2019-20 as a result of COVID-19 impacts to Police Academy Training. This is expected to result in less overtime, increased staff morale and greater inmate safety.
- Closure of the Recovery Center and cancellation of the contract with Janus at a savings of \$750,000 due to the inability to serve these offenders while maintaining fidelity to the health order related to COVID-19 restrictions. This is expected to increase bookings at the Main Jail by 5.5 people in any given 24-hour period.
- Deleting 9.0 FTE positions (8 Cooks and 1 Head Cook) related to food services and transferring these duties to a contracted vendor at an expected net savings of \$606,426 from October until June, including reductions in costs for food, kitchen equipment, supply purchases and other expenses.
- Unfunding 5.0 FTE Supervising Corrections Officers (one vacant) at a savings of \$562,887 due to financial constraints, which may result in greater span of control and supervisory responsibilities for the remaining 11.0 FTE Supervising Corrections Officers.
- Unfunding 4.0 FTE Records Clerks that are vacant at a savings of \$328,880. Records Clerks are intended to replace sworn staff to manage the booking function but lack of ability to hire these positions has resulted in the continuing use of Corrections Officers performing these duties as needed.

SUPPLEMENTAL BUDGET OVERVIEW CONT'D

- Unfunding 1.0 FTE Program Coordinator for Inmate Programming at a savings of \$97,026 and cancelling non-mandated inmate programming contracts with the Santa Cruz Office of Education (savings of \$245,000), Barrios Unidos (savings of \$15,000), Freedom Within (savings of \$12,500) and Positive Discipline (savings of \$12,000). Lack of programming may result in inadequate preparation for successful release back into the community.
- Delay of the purchase of a new transport van at a savings of \$55,000.

There are no changes to the Courts division.

SUPPLEMENTAL BUDGET OVERVIEW

20-21 Revised Budget Overview

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. This Revised budget is for the General Fund and Plant Acquisition only. There are no changes for the other divisions. The Revised recommendation provides for a increase of \$9,691,992 in expenditures and an increase of \$9,992,000 in revenues, resulting in a decrease of \$300,008 or 100% in General Fund contribution to address financial constraints.

EXPENDITURES

The increase of \$9,691,992 in expenditures is related to bond financing for critical capital projects, offset by a decrease of \$300,008 for the now-paused facilities master planning process.

Revenues

The increase of \$9,992,000 in revenues is related to bond financing for critical capital projects.

OPERATIONAL IMPACTS

In July 2019, the County began a long-range facilities planning process to prepare for the County's future expansion needs. The facilities master planning process has been paused due to the pandemic and financing concerns, resulting in General Fund savings of \$300,008.

On April 28, 2020, the Board of Supervisors approved a bond issuance of \$9.9 million to address critical capital and infrastructure needs, including new generators, replacing the outdated alarm control system

SUPPLEMENTAL BUDGET OVERVIEW

2020-21 REVISED BUDGET

The 2020-21 Revised Budget updates the Proposed Budget (shown in the Recommended column) provided before COVID-19 financial impacts were available. The Revised recommendation provides for a decrease of \$11,445,581 in expenditures and a decrease of \$23,073,370 in revenues, resulting in a decrease of \$11,627,789 or 7% in General Fund contribution to finance County departments' Net County Cost.

EXPENDITURES

The expenditure reduction of \$11,445,581 results from a decrease in Salaries and Benefits estimating the net cost savings from the 7.5% to 10% furlough with each bargaining unit to address the County's financial constraints. A Last Day report will transfer and detail the furlough savings to departments.

REVENUES

The revenue reduction of \$23,073,370 is primarily due to general revenue losses of \$15,543,513 anticipated from the economic impacts on businesses related to restrictions placed during the Shelter in Place order to address the COVID-19 pandemic. In addition, State realignment revenues are expected to decline by \$11,975,289, which is offset by \$4,445,432 (75%) of the State realignment backfill for a net loss of \$7,529,857. An additional \$1.5 million may be received if the State receives additional federal stimulus funding. A Last Day report will transfer the realignment revenue losses from the County General Revenues budget to departments.

SUPPLEMENTAL BUDGET OVERVIEW CONT'D

To date, counties have not received federal stimulus funding to assist with revenue losses for 2020-21. However, the County of Santa Cruz is estimated to receive approximately \$28 million in Coronavirus Relief Funds (CRF) from the State to address COVID-19 related costs through December 30, 2020. It is estimated that \$2.5 million of the CRF funds will be used to reimburse the County for eligible non-FEMA or grant reimbursed COVID-19 related costs through June 30, 2020. A Last Day report will provide a plan for using the remaining funding for the emergency response to COVID-19.

The table below provides a comparison of general revenues by source in the Recommend and Revised Budgets. The Recommend Budget revenue growth totaled \$8.3 million (5%) compared to the Revised Budget revenue loss of \$15.5 million (9%). Declining revenues include sales tax, transient occupancy (hotel) tax, and Proposition 172 for Public Safety based on State pooled sales tax. Overall, the estimated revenue loss has improved slightly since the preliminary estimate of \$23.3 million (10%); however, the estimate is hindered by limited data resulting from the delayed payment of sales tax collection due to COVID-19.

In addition, the Revised Budget reflects the loss of realignment revenues, which is offset by \$4.4 million (75%) of the State realignment backfill leaving a loss of \$7.5 million. If the State receives additional federal stimulus funding, the remaining \$1.5 million (25%) of the backfill will be restored. The Revised Budget sets aside \$1.5 million for the realignment trigger cuts in Contingencies. A Last Day report will transfer these revenue losses to departments.
